

Stripe Services Agreement — United Kingdom

Welcome to Stripe!

This Stripe Services Agreement includes this introduction, the General Terms, Definitions, Services Terms, and incorporated documents and terms (“**Agreement**”) and forms a legal agreement between Stripe Payments Europe, Limited (“**SPEL**”); Stripe Payments UK Ltd (“**Stripe PSP**”); and you or the entity you represent (“**you**” and “**your**”). Stripe PSP is a party to this Agreement solely for the purposes of (a) providing Authorised Payment Services (as Section 5.3 of the General Terms describes); and (b) acting as a Payment Method Acquirer. Each reference in this Agreement to “**Stripe**” means SPEL, except to the extent that the reference relates to providing Authorised Payment Services, in which case “**Stripe**” means Stripe PSP. This Agreement governs your use of the Services.

This Agreement is effective upon the date you first access or use the Services (“**Effective Date**”) and continues until you or Stripe terminates it (this period, the “**Term**”). Capitalised terms used in this Agreement that are not defined inline are defined in the Definitions.

As referenced in Section 13 of the General Terms, any dispute between you and Stripe must be resolved by arbitration. Please read the arbitration provision in this Agreement as it affects your rights under this Agreement.

General Terms

Last modified: November 11, 2024

You and Stripe agree as follows:

1. Your Stripe Account.

1.1 Eligibility.

Only businesses (including sole proprietors) and non-profit organisations located in the United Kingdom are eligible to apply for a Stripe Account and use the Services. Stripe and its Affiliates may provide Services to you or your Affiliates in other countries or regions under separate agreements. You and your Representative must not attempt to create a Stripe Account on behalf of or for the benefit of a user whose use of the Stripe services was suspended or terminated by Stripe, unless Stripe approves otherwise.

1.2 Business Representative.

You and your Representative individually affirm to Stripe that (a) your Representative is authorised to provide User Information on your behalf and to bind you to this Agreement; and (b) your Representative is an executive officer, director, senior manager or otherwise has significant responsibility for the control, management or direction of your business. Stripe may require you or your Representative to provide additional information or documentation demonstrating your Representative’s authority.

1.3 Sole Proprietors.

If you are a sole proprietor, you and your Representative also affirm that your Representative is personally responsible and liable for your use of the Services and your obligations to Customers, including payment of amounts you owe under this Agreement.

1.4 Age Requirements.

If you are a sole proprietor, and you are not old enough to enter into a contract on your own behalf (which is commonly but not always 18 years old), but you are 13 years old or older, your Representative must be your parent or legal guardian. If you are a legal entity that is owned, directly or indirectly, by an individual who is not old enough to enter into a contract on their own behalf, but the individual is 13 years old or older, your Representative must obtain the consent of either your board or an authorised officer. The approving board, authorised officer, parent or legal guardian is responsible to Stripe and is legally bound to this Agreement as if it had agreed to this Agreement itself. You must not use the Services if you are under 13 years of age.

2. Services and Support.

2.1 Services.

Stripe (and its Affiliates, as applicable) will make available to you the Services, including those described in the applicable Services Terms, and, if applicable, give you access to a Stripe Dashboard.

2.2 Services Terms; Order of Precedence.

The Services Terms contain specific terms governing the parties' rights and obligations related to the Services described in those Services Terms. If there are no Services Terms for a particular Stripe service, then only these General Terms govern. By accessing or using a Service, you agree to comply with the applicable Services Terms. If any term in these General Terms conflicts with a term in any Services Terms or set of terms incorporated by reference into this Agreement, then unless terms of lower precedence expressly state to the contrary, the order of precedence is: (a) the Services Terms; (b) these General Terms; and (c) all terms incorporated by reference into this Agreement. Your access to or use of the Services may also be subject to additional terms to which you agree through the Stripe Dashboard.

2.3 Service Modifications and Updates.

Stripe may modify the Services and Stripe Technology at any time, including adding or removing functionality or imposing conditions on use of the Services. Stripe will notify you of material adverse changes in, deprecations to, or removal of functionality from, Services or Stripe Technology that you are using. Stripe is not obligated to provide any Updates. However, if Stripe makes an Update available, you must fully install the Update by the date or within the time period stated in Stripe's notice; or, if there is no date or period stated in the notice, then no later than 30 days after the date of the notice.

2.4 Subcontracting.

Stripe may subcontract its obligations under this Agreement to third parties.

2.5 Services Restrictions.

You may only use the Services for business purposes. You must not, and must not enable or allow any third party to:

- (a) use the Services for personal, family or household purposes;
- (b) act as service bureau or pass-through agent for the Services with no added value to Customers;
- (c) work around any of the technical limitations of the Services or enable functionality that is disabled or prohibited, or access or attempt to access non-public Stripe systems, programs, data, or services;
- (d) except as Law permits, reverse engineer or attempt to reverse engineer the Services or Stripe Technology;
- (e) use the Services to engage in any activity that is illegal, fraudulent, deceptive, exploitative, or harmful;
- (f) perform or attempt to perform any action that interferes with the normal operation of the Services or affects other Stripe users' use of Stripe services;
- (g) exceed any Services usage limitations stated in the Documentation; or
- (h) copy, reproduce, republish, upload, post, transmit, resell, or distribute in any way, any part of the Services, Documentation, or the Stripe Website except as permitted by Law.

2.6 Preview Services.

(a) *Classification.* Stripe may classify certain Stripe services or Stripe Technology, including a particular product or feature release, as being in a Preview phase. A Stripe service may be generally available in some circumstances (e.g., in some countries or regions) while still released or classified as Preview in other circumstances.

(b) *Nature of Preview Services.* By their nature, Preview Services may be feature-incomplete or contain bugs. Stripe may describe limitations that exist within a Preview Service; however, your reliance on the accuracy or completeness of these descriptions is at your own risk. You should not use Preview Services in a production environment until and unless you understand and accept the limitations and flaws that may be present in the Preview Services.

(c) *Feedback.* Unless Stripe otherwise agrees in writing, your use of Preview Services is confidential, and you must provide timely Feedback on the Preview Services in response to Stripe requests.

(d) *Availability During Preview Product Release Phase.* Stripe may suspend or terminate your access to any Preview Services at any time.

2.7 Support.

Stripe will provide you with support to resolve general issues relating to your Stripe Account and your use of the Services through resources and documentation that Stripe makes available on the Stripe Website and in the Documentation. Stripe's support is also available by contacting Stripe at [contact us](#). Stripe is not responsible for providing support to Customers.

2.8 Third-Party Services.

Stripe may reference, enable you to access, or promote (including on the Stripe Website) Third-Party Services. These Third-Party Services are provided for your convenience only and Stripe does not approve, endorse, or recommend any Third-Party Services to you. Your access and use of any Third-Party Service is at your own risk and Stripe disclaims all responsibility and liability for your use of any Third-Party Service. Third-Party Services are not Services and are not governed by this Agreement or Stripe's Privacy Policy. Your use of any Third-Party Service, including those linked from the Stripe Website, is subject to that Third-Party Service's own terms of use and privacy policies (if any).

2.9 Modifications to Services or Stripe Technology.

(a)* *Right to Modify**. Stripe may modify or discontinue any part of a Service or Stripe Technology, including ceasing to offer that Service or Stripe Technology in a particular country. Stripe will provide you reasonable notice if the modification or discontinuation would materially reduce the functionality of a Service or Stripe Technology that you are using, unless giving notice would (i) pose a security issue to Stripe; or (ii) cause Stripe to violate Law or breach any legal obligation to a Governmental Authority or Financial Partner.

(b) *Updates.* Stripe is not obligated to provide any Updates. If Stripe does make an Update available, you must install the Update by the date or within the time period stated in Stripe's notice; or, if there is no date or period stated in the notice, then no later than 30 days after the date of the notice.

3. Information; Your Business.

3.1 User Information.

Upon Stripe's request, you must provide User Information to Stripe in a form satisfactory to Stripe. You must keep the User Information in your Stripe Account current. You must promptly update your Stripe Account with any changes affecting you, the nature of your business activities, your Representative, beneficial owners, principals, or any other pertinent information. You must immediately notify Stripe, and provide to Stripe updated User Information, if (a) you experience or anticipate experiencing a Change of Control; (b) you experience or anticipate experiencing a material change in your business or financial condition, including if you experience or are likely to experience an Insolvency Event; (c) the regulatory status of the business for which you are using the Services changes, including if it becomes subject, or no longer subject, to regulatory oversight; or (d) a Governmental Authority has notified you that you or your business is the subject of investigative action.

3.2 Information Stripe Obtains.

You authorise Stripe to obtain information about you and your business from Stripe's service providers and other third parties, including credit reporting agencies, banking partners and information bureaus, for the purposes of this Agreement. This information may include your, or your representative's, name,

addresses, credit history, banking relationships, and financial history. You must authorise and direct those third parties to compile and provide this information to Stripe.

4. Services Fees; Taxes.

4.1 Services Fees.

The Fees are stated on the Stripe Pricing Page, unless you and Stripe otherwise agree in writing. Subject to the requirements of Law, Stripe may revise the Fees at any time. Stripe may, from time to time, offer a Service or Service feature without charge, or waive a Fee for that Service or Service feature. If Stripe increases a Fee, or introduces a new Fee, for a Service that you are currently using, then Stripe will notify you at least 30 days (or longer period if Law requires) before the revised or new Fee applies to you.

4.2 Collection of Fees and Other Amounts.

You must pay, or ensure that Stripe is able to collect, Fees, Taxes, and other amounts you owe under this Agreement when due. Stripe may deduct, recoup or setoff Fees and other amounts you owe under this Agreement, or under any other agreements you have with Stripe or any of its Affiliates, from your Stripe Account balance, or invoice you for those amounts. If you fail to pay invoiced amounts when due, if your Stripe Account balance is negative or does not contain funds sufficient to pay amounts that you owe under this Agreement, or under any other agreement with Stripe or any of its Affiliates, or if Stripe is unable to collect amounts due from your Stripe Account balance, then Stripe may, to the extent Law permits, deduct, recoup or setoff those amounts from: (a) if established and applicable, each Reserve; (b) funds payable by Stripe or its Affiliate to you or your Affiliate; (c) if established, each User Affiliate Reserve; (d) each User Bank Account; and (e) the Stripe account balance of each Stripe account that Stripe determines, acting reasonably, is associated with you or your Affiliate. If the currency of the amount being deducted is different from the currency of the amount you owe, Stripe may deduct, recoup or setoff an amount equal to the amount owed (using Stripe's conversion rate) together with any fees Stripe incurs in making the conversion.

4.3 Debit Authorisation.

Without limiting Section 4.2 of these General Terms, you authorise Stripe to debit each User Bank Account without separate notice, and according to the applicable [User Bank Account Debit Authorisation](#), to collect amounts you owe under this Agreement. If Stripe is unable to collect those amounts by debiting a User Bank Account, then you immediately grant to Stripe a new, original authorisation to debit each User Bank Account without notice and according to the applicable [User Bank Account Debit Authorisation](#). Stripe may rely on this authorisation to make one or more attempts to collect all or a subset of the amounts owed. Your authorisation under this Section 4.3 will remain in full force and effect until (a) all of your Stripe Accounts are closed; or (b) all fees and other amounts you owe under this Agreement are paid, whichever occurs later. If applicable debit scheme authorisation rules grant you the right to revoke your debit authorisation, then to the extent Law permits, you waive that right.

4.4 Taxes.

The Fees exclude all Taxes, except as the Stripe Pricing Page expressly states to the contrary. You have sole responsibility and liability for:

- (a) determining which, if any, Taxes or fees apply to the sale of your products and services, acceptance of donations, or payments you make or receive in connection with your use of the Services; and
- (b) assessing, collecting, reporting and remitting Taxes for your business.

If Stripe is required by Law to collect or withhold any Taxes, Stripe may deduct those Taxes from amounts otherwise owed to you and pay those Taxes to the appropriate taxing authority. If you are exempt from paying, or are otherwise eligible to pay a reduced rate on, those Taxes, you may provide to Stripe an original certificate that satisfies applicable legal requirements attesting to your tax-exempt status or reduced rate eligibility, in which case Stripe will not deduct the Taxes that certificate covers. You must provide accurate information regarding your tax affairs as Stripe reasonably requests, and

must promptly notify Stripe if any information that Stripe prepopulates is inaccurate or incomplete. Stripe may send documents to you and taxing authorities for transactions processed using the Services. Specifically, Law may require Stripe to file periodic informational returns with taxing authorities related to your use of the Services. Stripe may send tax-related information electronically to you.

5. User Bank Accounts; Funds.

5.1 User Bank Accounts; Prohibition on Grant or Assignment.

You must designate at least one User Bank Account in connection with the Services. Stripe may debit and credit a User Bank Account as described in this Agreement. You must not grant or assign to any third party any lien on or interest in funds that may be owed to you under this Agreement until the funds are deposited into a User Bank Account.

5.2 Holding of Funds.

To the extent Law and the applicable Financial Services Terms permit, Stripe and its Affiliates may invest funds they hold into liquid investments. Stripe or its applicable Affiliates will (a) hold these investments separate from investments made with their own funds, and (b) own, and User will not receive, any earnings from these investments. Stripe and its Affiliates' investment of funds will not affect or delay Stripe's payout obligations under this Agreement.

5.3 Authorised Payment Services.

The U.K. Financial Conduct Authority has authorised Stripe PSP as an electronic money institution under reference number 900461. Stripe PSP does not offer any form of deposit or savings account. Stripe PSP is not part of the Financial Services Compensation Scheme or the Deposit Guarantee Scheme. To the extent the Services are Authorised Payment Services, Stripe PSP is the only provider of those Services. As the provider of Authorised Payment Services, Stripe PSP will be the only Stripe party liable to you for collecting payment proceeds from Transactions on your behalf, safeguarding those proceeds, and settling those proceeds to your User Bank Account or as you otherwise direct. Stripe is not a bank, and does not accept deposits.

5.4 E-Money Services; Using a Third-Party Payment Services Provider.

(a) *E-money Services.* Depending on your location and, if applicable, your Connected Accounts' locations, Stripe may offer E-money Services to you. The terms in this Section 5.4 only apply if Stripe provides E-money Services to you. You may use the Services to purchase E-money from Stripe, to send and receive E-money, and, if applicable, to transfer E-money to Connected Accounts. You will not receive any earnings from E-money that Stripe issues or holds. If Stripe holds E-money for you, Stripe will safeguard that E-money according to Law. You may use the Stripe Technology to redeem E-money Stripe holds for you for par value, and Stripe will settle funds to the User Bank Account according to the Payout Schedule.

(b) *Using a Third-Party Payment Service Provider (TPP).* If Stripe provides a Payment Account to you, you may enable a TPP to access information regarding that Payment Account or make payments from the Payment Account according to Law. You must ensure that each TPP you use (if any) is authorised or registered with the applicable Governmental Authority. Notwithstanding anything to the contrary in this Agreement, as among the parties, you are liable for the TPP's acts and omissions. If necessary to allow the TPP to access your Payment Account, you may provide your Stripe Account credentials to the TPP. Stripe may refuse to allow any TPP to access information regarding your Payment Account if Stripe reasonably believes that the TPP's actions are unauthorised, fraudulent or illegal. Unless Law prohibits notification, Stripe will notify you if Stripe takes this action. You must notify Stripe immediately if you believe a payment made through a TPP was unauthorised or incorrect.

5.5 Assessed Fines.

You (a) are responsible for all Assessed Fines; and (b) must reimburse Stripe for its payment of Assessed Fines, except to the extent the Assessed Fines result from Stripe's (i) breach of Law, the Agreement, or Financial Services Terms; or (ii) negligence.

6. Termination; Suspension; Survival.

6.1 Termination.

(a) *Your Termination.* You may terminate this Agreement at any time by closing your Stripe Account. To do so, [you must open the account information tab in your account settings](#), select “close my account” and stop using the Services. If after termination you use the Services again, this Agreement will apply with an Effective Date that is the date on which you first use the Services again.

(b) *Stripe Termination.* Stripe may terminate this Agreement (or any part) or close your Stripe Account at any time for any or no reason (including if any event listed in Sections 6.2(a)–(i) of these General Terms occurs) by notifying you. In addition, Stripe may terminate this Agreement (or relevant part) for cause if Stripe exercises its right to suspend Services (including under Section 6.2 of these General Terms) and does not reinstate the suspended Services within 30 days.

(c) *Termination for Material Breach.* A party may terminate this Agreement immediately upon notice to the other parties if any of the other parties materially breaches this Agreement, and if capable of cure, does not cure the breach within 10 days after receiving notice specifying the breach. If the material breach affects only certain Services, the non-breaching party that served the notice may choose to terminate only the affected Services.

(d) *Effect on Other Agreements.* Unless stated to the contrary, termination of this Agreement will not affect any other agreement between the parties or their Affiliates.

6.2 Suspension.

Stripe may immediately suspend providing any or all Services to you, and your access to the Stripe Technology, if:

(a) Stripe believes it will violate any Law, Financial Services Terms or Governmental Authority requirement;

(b) a Governmental Authority or a Financial Partner requires or directs Stripe to do so;

(c) you do not update in a timely manner your implementation of the Services or Stripe Technology to the latest production version Stripe recommends or requires;

(d) you do not respond in a timely manner to Stripe’s request for User Information or do not provide Stripe adequate time to verify and process updated User Information;

(e) you breach this Agreement or any other agreement between the parties;

(f) you breach any Financial Services Terms;

(g) you enter an Insolvency Event;

(h) Stripe believes that you are engaged in a business, trading practice or other activity that presents an unacceptable risk to Stripe; or

(i) Stripe believes that your use of the Services (i) is or may be harmful to Stripe or any third party; (ii) presents an unacceptable level of credit risk; (iii) increases, or may increase, the rate of fraud that Stripe observes; (iv) degrades, or may degrade, the security, privacy, stability or reliability of the Stripe services, Stripe Technology or any third party’s system (e.g., your involvement in a distributed denial of service attack);

(v) enables or facilitates, or may enable or facilitate, illegal or prohibited transactions; or (vi) is or may be unlawful.

6.3 Survival.

The following will survive termination of this Agreement:

(a) provisions that by their nature are intended to survive termination (including Sections 4, 7.2, 9.4, 11, 12 and 13 of these General Terms); and

(b) provisions that allocate risk, or limit or exclude a party's liability, to the extent necessary to ensure that a party's potential liability for acts and omissions that occur during the Term remains unchanged after this Agreement terminates.

7. Use Rights.

7.1 Use of Services.

Subject to the terms of this Agreement, Stripe (or its applicable Affiliates) grants you a worldwide, non-exclusive, non-transferable, non-sublicensable, royalty-free license during the Term to access the Documentation, and access and use the Stripe Technology, as long as your access and use is (a) solely as necessary to use the Services; (b) solely for your business purposes; and (c) in compliance with this Agreement and the Documentation.

7.2 Feedback.

During the Term, you and your Affiliates may provide Feedback to a Stripe Entity. You grant, on behalf of yourself and your Affiliates, to Stripe and its Affiliates a perpetual, worldwide, non-exclusive, irrevocable, royalty-free license to exploit that Feedback for any purpose, including developing, improving, manufacturing, promoting, selling and maintaining the Stripe services. All Feedback is Stripe's confidential information.

7.3 Marks Usage.

Subject to the terms of this Agreement, each party (or its applicable Affiliates) grants to the other party a worldwide, non-exclusive, non-transferable, non-sublicensable (except to its Affiliates), royalty-free license during the Term to use the Marks of the grantor party or its Affiliate solely to identify Stripe as your service provider. Stripe and its applicable Affiliates may use your Marks:

- (a) on Stripe webpages and apps that identify Stripe's customers or users;
- (b) in Stripe sales/marketing materials and communications; and
- (c) in connection with promotional activities to which the parties agree in writing.

When using Marks of a Stripe Entity, you must comply with the [Stripe Marks Usage Terms](#) and all additional usage terms and guidelines that Stripe provides to you in writing (if any). All goodwill generated from the use of Marks will inure to the sole benefit of the Mark owner.

7.4 No Joint Development; Reservation of Rights.

As between the parties, Stripe, its Affiliates, and its third party licensors own all IP Rights in the Services, the Stripe Technology, the Stripe Marks, the Documentation, and the Stripe Website. Any joint development between the parties of intellectual property will require and be subject to a separate agreement between the parties. Nothing in this Agreement assigns or transfers ownership of any IP Rights to the other party or its Affiliates, or contemplates a joint development of intellectual property. All rights (including IP Rights) not expressly granted in this Agreement are reserved.

8. Privacy and Data Use.

8.1 Privacy Policies.

Each party will make available a Privacy Policy that complies with Law. Stripe's [Privacy Policy](#) explains how and for what purposes Stripe collects, uses, retains, discloses and safeguards the Personal Data you provide to Stripe.

8.2 Disclosures.

When you provide Personal Data to Stripe, or authorise Stripe to collect Personal Data, you must provide all necessary notices to and obtain all necessary rights and consents from the applicable individuals (including your Customers) sufficient to enable Stripe to lawfully collect, use, retain and disclose the Personal Data in the ways this Agreement and Stripe's [Privacy Policy](#) describe. You will determine the content of the notices you provide to your Customers.

8.3 Personal Data.

Stripe will Process Personal Data for the purposes described in Section 2 of the [Data Processing Agreement](#). You are responsible for being aware of and complying with Law governing your use, storage and disclosure of Personal Data.

8.4 Data Processing Agreement.

The [Data Processing Agreement](#), including the Data Transfers Addendum, that applies to your use of the Services and transfer of Personal Data, is incorporated into this Agreement by this reference. Each party will comply with the Data Processing Agreement and will train its employees on DP Law.

8.5 Stripe Data.

You may use the Stripe Data only as this Agreement and other applicable agreements between a Stripe Entity and you (or your Affiliates, if applicable) permit.

8.6 Retention of Data.

Stripe is not obligated to retain data after the Term, except as (a) required by Law; (b) required for Stripe to perform any post-termination obligations; (c) this Agreement otherwise states; or (d) the parties otherwise agree in writing.

8.7 Use of Fraud Signals.

If Stripe provides you with information regarding the possibility or likelihood that a transaction may be fraudulent or that an individual cannot be verified, Stripe may incorporate your subsequent actions and inactions into Stripe's fraud and verification model, for the purpose of identifying future potential fraud. Please see the [Stripe Privacy Center](#) for more information on [Stripe's collection of end-customer data](#) for this purpose and for [guidance on how to notify your Customers](#).

8.8 Third Party Data You Provide.

If you enable Services or features of Services or functionality that provide Stripe access to data, including Personal Data and Content, from your third party service providers ("Third Party Data"), then you authorize Stripe to access and use the Third Party Data, and you must obtain all necessary rights and consents from the applicable individuals and third parties sufficient to enable Stripe to lawfully collect, use, retain, and disclose the Third Party Data. Stripe will use Third Party Data as this Agreement describes and to (a) secure, provide, and update the Stripe services, (b) comply with Law and Financial Partner requirements, and (c) prevent and mitigate fraud, financial loss, and other harm.

9. Data Security.

9.1 Controls.

Each party will maintain commercially reasonable administrative, technical, and physical safeguards designed to protect data in its possession or under its control from unauthorised access, accidental loss and unauthorised modification.

9.2 PCI-DSS.

Stripe will make reasonable efforts to provide the Services in a manner consistent with PCI-DSS requirements that apply to Stripe.

9.3 Stripe Account Credentials.

You must prevent any Credential Compromise, and otherwise ensure that your Stripe Account is not used or modified by anyone other than you and your representatives. If a Credential Compromise occurs, you must promptly notify and cooperate with Stripe, including by providing information that Stripe requests. Any act or failure to act by Stripe will not diminish your responsibility for Credential Compromises.

9.4 Data Breach.

You must notify Stripe immediately if you become aware of an unauthorised acquisition, modification, disclosure, access to, or loss of Personal Data on your systems.

9.5 Audit Rights.

If Stripe believes that a compromise of data has occurred on your systems, website, or app, Stripe may require you to permit a Stripe approved third-party auditor to audit the security of your systems and facilities. You must fully cooperate with all auditor requests for information or assistance. As between the parties, you are responsible for all costs and expenses associated with these audits. Stripe may share with Financial Services Partners any report the auditor issues.

10. Representations and Warranties.

10.1 Representations and Warranties.

You represent as of the Effective Date, and warrant at all times during the Term, that:

- (a) you have the right, power, and ability to enter into and perform under this Agreement;

- (k) you are the named account holder of each User Bank Account, and each User Bank Account is located in a country Stripe approves you to maintain Bank Accounts; and
- (l) all information you provide to Stripe, including the User Information, is accurate and complete.

10.2 Scope of Application.

Unless this Agreement states to the contrary elsewhere, the representations and warranties in Sections 10.1 and 15.9 of these General Terms apply generally to your performance under this Agreement. Additional representations and warranties that apply only to a specific Service may be included in the Services Terms.

11. Indemnity.

11.1 Stripe IP Infringement.

(a) *Defence and Indemnification.* Stripe will defend you against any IP Claim and indemnify you against all IP Claim Losses.

(b) *Limitations.* Stripe's obligations in this Section 11.1 do not apply if the allegations do not specify that the Stripe Technology, Services, or Mark of a Stripe Entity is the basis of the IP Claim, or to the extent the IP Claim or IP Claim Losses arise out of:

- (i) the use of the Stripe Technology or Services in combination with software, hardware, data, or processes not provided by Stripe;
- (ii) failure to implement, maintain and use the Stripe Technology or Services in accordance with the Documentation and this Agreement;
- (iii) your breach of this Agreement; or
- (iv) your negligence, fraud or wilful misconduct.

(c) *Process*. You must promptly notify Stripe of the IP Claim for which you seek indemnification; however, any delay or failure to notify will not relieve Stripe of its obligations under this Section 11, except to the extent Stripe has been prejudiced by the delay or failure. You must give Stripe sole control and authority to defend and settle the IP Claim, but (i) you may participate in the defence and settlement of the IP Claim with counsel of your own choosing at your own expense; and (ii) Stripe will not enter into any settlement that imposes any obligation on you (other than payment of money, which Stripe will pay) without your consent. You must reasonably assist Stripe in defending the IP Claim.

(d) *Other Stripe Actions*. Stripe may in its discretion and at no additional expense to you:

- (i) modify the Stripe Technology or Services so that they are no longer claimed to infringe or misappropriate IP Rights of a third party;
- (ii) replace the affected Stripe Technology or Services with a non-infringing alternative;
- (iii) obtain a license for you to continue to use the affected Stripe Technology, Services, or Mark; or
- (iv) terminate your use of the affected Stripe Technology, Services, or Mark upon 30 days' notice.

(e) *Exclusive Remedy*. This Section 11.1 states Stripe's sole liability, and your sole and exclusive right and remedy, for infringement by the Stripe Technology, Services, or Marks of a Stripe Entity, including any IP Claim.

11.2 Your Indemnification Obligations.

(a) *Defence*. You will defend the Stripe Parties against any Claim made against any of the Stripe Parties to the extent arising out of or relating to:

- (i) your breach of any of your representations, warranties or obligations under this Agreement;
- (ii) your use of the Services, including use of Personal Data;
- (iii) an allegation that any of the Marks you license to Stripe, or your Content, infringes on or misappropriates the rights, including IP Rights, of the third party making the Claim; or
- (iv) a User Party's negligence, wilful misconduct or fraud.

(b) *Indemnification*. You will indemnify the Stripe Parties against all Stripe Losses arising out of or relating to Claims described in this Section 11.2.

12. Disclaimer and Limitations on Liability.

The following disclaimer and limitations will apply notwithstanding the failure of the essential purpose of any limited remedy.

12.1 Disclaimer.

Stripe provides the Services and Stripe Technology "AS IS" and "AS AVAILABLE". Except as expressly stated as a "warranty" in this Agreement, and to the maximum extent permitted by Law, Stripe does not make any, and expressly disclaims all, express and implied warranties and statutory guarantees with respect to its performance under this Agreement, the Services, Financial Partners, the Stripe Technology, Stripe Data and the Documentation, including as related to availability, the implied warranties of fitness for a particular purpose, merchantability and non-infringement, and the implied warranties arising out of any course of dealing, course of performance or usage in trade. The Stripe Parties are not liable for any losses, damages, or costs that you or others may suffer arising out of or relating to hacking, tampering, or other unauthorised access or use of the Services, your Stripe

Account, or Protected Data, or your failure to use or implement anti-fraud or data security measures. Further, the Stripe Parties are not liable for any losses, damages, or costs that you or others may suffer arising out of or relating to (a) your access to, or use of, the Services in a way that is inconsistent with this Agreement or the Documentation; (b) unauthorised access to servers or infrastructure, or to Stripe Data or Protected Data; (c) Service interruptions or stoppages; (d) bugs, viruses, or other harmful code that may be transmitted to or through the Service (e) errors, inaccuracies, omissions or losses in or to any Protected Data or Stripe Data; (f) Content; or (g) your or another party's defamatory, offensive, fraudulent or illegal conduct.

12.2 LIMITATIONS ON LIABILITY.

Services Terms

Stripe Payments

Last modified: November 11, 2024

1. Stripe Payments Services.

These terms (“Stripe Payments Terms”) supplement the General Terms and govern your use of the Stripe Payments Services.

2. Your Business.

You are solely responsible for the nature and quality of the goods and services you provide (or if you accept donations, the intended use of those donations), and for Transaction receipts, delivery, support, refunds, returns, and for all other ancillary services you provide to Customers. You are solely responsible for verifying each Customer's identity, determining a Customer's eligibility and authority to complete a Transaction, and all other issues related to your goods and services and business activities.

3. Payment Methods and Transactions.

3.1 Acceptance and Use Requirements.

As part of the Stripe Payments Services, you may accept payment from Customers using various Payment Methods by submitting Transactions to Stripe through the Stripe Technology. All Payment Methods have specific requirements for their acceptance and use. These requirements may be incorporated into the Stripe API and other Stripe Technology, and may be described in the Documentation, the Payment Method Rules and Payment Method Terms. You must comply with all of these acceptance and use requirements.

3.2 Payment Method Rules and Payment Method Terms.

Your acceptance and use of a Payment Method may be subject to Payment Method Rules, Payment Method Terms, or both. Using the Stripe Payments Services to accept a Payment Method or submit a Transaction constitutes your acceptance of the applicable Payment Method Rules and Payment Method Terms (if any). Payment Method Rules and Payment Method Terms are Financial Services Terms for purposes of this Agreement. In the event of any inconsistency between any provision of this Agreement and the Payment Method Rules or Payment Method Terms, the applicable Payment Method Rules or Payment Method Terms will prevail to the extent of the inconsistency. The Payment Method Terms and Payment Method Rules may be amended from time to time. Your continuing use of the applicable Stripe Payments Services constitutes your agreement to those amended terms.

3.3 Acquirer Terms.

Some Payment Method Providers require that their Payment Methods be accepted only through a Payment Method Acquirer, which may be Stripe, its Affiliates, or a Financial Partner. Some of these Payment Method Providers, such as Visa and Mastercard in certain countries, require you to enter into Acquirer Terms, which will (a) identify the Payment Method Acquirer responsible for Transactions using that Payment Method Provider's Payment Method; and (b) establish a direct contractual relationship and terms between you and the Payment Method Acquirer, as those Acquirer Terms further describe. The Acquirer Terms, which are Financial Services Terms for purposes of this Agreement, describe the Payment Methods to which they apply, and when they go into effect. By using the Stripe Payments Services to submit Visa or Mastercard Transactions, you agree to the Acquirer Terms for the applicable Payment Method Acquirers, if any, listed on the Acquirer Disclosure available on the Stripe Legal Page. Stripe may add or remove Payment Method Acquirers at any time.

3.4 Payment Method Providers and Payment Method Acquirers.

Irrespective of whether Acquirer Terms apply, your acceptance and use of the Payment Method may also be subject to Payment Method Rules or Payment Method Terms (or both), as Section 3.2 of these Stripe Payments Terms describes. Payment Method Providers and Payment Method Acquirers are Financial Partners for purposes of this Agreement. Payment Method Providers may enforce the terms of this Agreement directly against you with respect to that Payment Method Provider's Payment Method(s). A Payment Method Provider or Payment Method Acquirer may terminate your ability to accept a Payment Method at any time and for any reason, in which case you will no longer be able to accept that Payment Method under this Agreement. Stripe may add or remove Payment Method Providers at any time. Stripe may, with notice to you, change Payment Methods in your integration of the Services.

3.5 Card Transactions.

(a) *Card Network Rules.* When accepting payment card Transactions, you must comply with all applicable Card Network Rules, including the [Visa Rules](#) specified by Visa, the [Mastercard Rules](#) specified by Mastercard, and the Card Network Rules specified by American Express. Each Card Network may amend its Card Network Rules at any time without notice to you.

(b) *Location and Identification.* You may only accept payment card Transactions in locations authorised by Stripe and the applicable Card Network. The Card Networks may request information and certification relating to your location, and make a final determination of your location. You must prominently and clearly disclose your name, address, and country location to Customers before Customers are prompted to provide payment card information. You must ensure that Customers understand that you are responsible for the Transactions. You must not act as or hold yourself out as a payment facilitator, intermediary or aggregator, or otherwise resell the Stripe Payments Services. You must not misrepresent yourself as being a member of any Card Network.

(c) *Use of Cash.* You must not provide cash refunds for a completed Transaction made with a payment card, unless required by Law. You must not use Stripe Payments Services for any transaction for a cash disbursement or purchase of cash vouchers without approval from Stripe. You must not permit Customers to use payment cards to disburse cash to a third party, except to the extent the Card Network Rules permit.

(d) *Debt Repayment.* You must not accept payment card Transactions (i) to collect or refinance existing debt that you have deemed uncollectible or that is uncollectible by Law; (ii) for previous card charges; or (iii) to collect a dishonoured cheque. Debt repayment is only permitted when performed in compliance with the Card Network Rules.

(e) *Surcharging.* You must comply with all Card Network Rules and Law that limit your ability to (i) discriminate by payment card brand or type; (ii) charge surcharges or other fees, or Taxes for acceptance of payment cards; and (iii) provide discounts. You may only charge surcharges, other fees, or Taxes for accepting payment cards where permitted, and in such cases you must not impose a surcharge on your Customers in excess of applicable surcharging limits.

(f) *Use of Payment Card Account Data.* You must not request or use a payment card account number for any purpose other than for a Transaction. You must not use payment card account numbers or payment card Transaction data other than as Law, the Card Network Rules and this Agreement permit. You must not store the card verification value (or similar security code) data after card authorisation.

(g) *Waiver of Dispute Rights.* You must not require, as a condition to card acceptance, any Customer to waive a right to dispute a Transaction.

(h) *Non-Disparagement.* You must not disparage, criticise or mischaracterise any Card Network or any of their services, cards or programs, or submit any Transaction that harms any Card Network.

(i) *Audit and Forensic Investigations.* A Card Network may initiate audits and forensic investigations in accordance with its Card Network Rules. You must fully cooperate with these audits and forensic investigations. This subsection (i) will survive termination of this Agreement.

(j) *Security Programs*. You must comply with the Card Networks' security standards, requirements and programs (e.g., the Visa Account Information Security Program), and all Card Network Rules governing the privacy, protection, and your use, storage and disclosure of data.

(k) *Limited Acceptance*. Each Card Network may allow you to accept only a subset of that Card Network's cards, in which case you must follow the Card Network Rules that govern limited acceptance.

(l) *Minimum or Maximum Amounts*. You must not establish minimum or maximum amounts for payment card Transactions, except as the Card Network Rules permit.

(m) *Forms*. You must not require any Customer to complete a form that includes the Customer's signature or any Payment Account Details in plain view when mailed.

(n) *Harmful Material*. Your site and establishment (if applicable) must not contain libelous, defamatory, obscene, pornographic or profane material or any instructions that may cause harm to individuals.

(o) *Acceptance*. If you accept payment cards, then you must indicate that fact wherever you inform your Customers of the Payment Methods you accept, including on your website.

(p) *Estimated Amounts*. If you wish to obtain authorisation for the estimated amount of a Transaction, you must obtain your Customer's consent to the estimated amount before requesting the authorisation. As soon as you become aware of the full amount to be captured, you must submit the request to capture funds. If the full amount of the charge exceeds the amount for which you obtained an authorisation, you must obtain a new authorisation for the full amount.

(q) *Intra-EEA and Intra-country Transactions*. You must use the same name in authentication messages you submit for intra-EEA Transactions and intra-country Transactions.

(r) *PIN Entry Device Asset Management*. You must appropriately manage PIN entry device assets, including by (i) recording the stock and serial numbers of each PIN entry device; (ii) recording the location of each PIN entry device; and (iii) undertaking basic electronic and physical identification and authentication of each PIN entry device.

3.6 American Express Conversion – Only Applicable to the American Express Card Network.

If your American Express Transaction volume exceeds the applicable threshold amount set by American Express, American Express may convert you to a direct American Express merchant. As a direct American Express merchant, you and American Express will enter into a separate agreement which will govern your acceptance of American Express payment cards, and you and American Express must directly agree to your pricing and other fees payable for American Express Transaction processing. Stripe will continue to process your American Express Transactions in accordance with this Agreement, except that Stripe will incorporate the new pricing and fees into the applicable Stripe fees.

3.7 Data Sharing.

Stripe may share information about your Stripe Account, including User Information, with Payment Method Providers and Payment Method Acquirers as Stripe believes necessary to verify your eligibility to use the Stripe Payments Services, establish any necessary accounts or credit with Payment Method Providers and Payment Method Acquirers, monitor Transactions and other activity, and conduct risk management and compliance reviews. Stripe may also share data, including Protected Data, with Payment Method Providers and Payment Method Acquirers, and they may use and share this data, for the purpose of assessing your compliance with Financial Services Terms and facilitating Stripe's, the Payment Method Providers', and the Payment Method Acquirers' compliance with Law, Payment Method Rules and Payment Method Terms. You waive your right to bring any claim against Stripe arising from Stripe sharing information about User Group with Payment Method Providers and Payment Method Acquirers, including any inclusion on a Terminated Merchant List that results from this sharing. Stripe may periodically review your Stripe Account information to verify that you are eligible to use the Stripe Payments Services.

If you engage in Transactions with Customers who are consumers, you must provide the disclosures Law requires, and must not engage in unfair, deceptive, or abusive acts or practices.

3.9 Requirements Imposed by Payment Method Rules.

As required by the Payment Method Rules (a) as between the parties, each party is responsible for the acts and omissions of its employees, contractors and agents; (b) unless a Payment Method Provider agrees otherwise, you cannot bind a Payment Method Provider to any contract or obligation, and you must not represent that you can do so; (c) you will meet data quality requirements for relevant categories of Transaction data (as described in the Payment Method Rules) and in respect of that data, you must comply with all technical specifications mandated by the relevant Payment Method Provider; and (d) you must ensure that Transaction data that you collect is processed promptly, accurately and completely. You must maintain and make available to Customers a fair and neutral refund and exchange policy, and clearly explain the process by which Customers can receive a Refund. Payment Method Providers retain all IP Rights in their Marks, and you must not contest any Payment Method Provider's IP Rights in their Marks. You may only use Payment Method Providers' Marks in a manner consistent with the Payment Method Rules, and you must promptly comply with all instructions from Stripe regarding use or presentation of Payment Method Providers' Marks. You are solely responsible for providing support to Customers regarding Transaction receipts, product or service delivery, support, returns, refunds and all other issues related to your goods and services and business activities. Without limiting the previous sentence, you must make customer service information readily available to your Customers, including clear instructions on how your Customers can contact you by email and telephone.

3.10 Stripe Radar; Your Responsibility for Transactions.

The Stripe Radar Services may be enabled by default and are governed by the Stripe Radar Terms. If you do not wish to use the Stripe Radar Services in connection with Stripe Payments Services, you must [contact Stripe support](#) to disable it. You are solely responsible for all losses you and the Stripe Parties incur due to erroneous and fraudulent Transactions that occur in connection with your use of the Services, including as a result of (a) lost or stolen payment credentials or the details of any accounts that are used to purchase goods or services from you; (b) any changes to the User Bank Accounts; and (c) any unauthorised use of, or access or modification to, your Stripe Account.

4. Processing Transactions.

4.1 Blended Fees.

By using Stripe Payments Services, you request Stripe to blend Fees for payment card processing for all merchant services charges, regardless of the underlying differences in interchange fees between different payment card brands and categories. If you have a question about Fees or wish to receive unblended rates for payment card processing, please [contact us](#).

4.2 Payment Authorisation Requests.

(a) *Processing Transactions.* To enable Stripe to process Transactions for you, you authorise and direct Stripe, its Affiliates, Payment Method Providers and Payment Method Acquirers to receive and settle, as applicable, settlement funds owed to you through your use of the Stripe Payments Services. You may only submit Transactions that Customers authorise, and only after the applicable goods have been shipped or services provided to the Customer; except, you may submit a Transaction before goods have been shipped or services have been provided to the Customer where the Customer has

authorised a Transaction for a partial or full prepayment for goods or services to be provided at a future time, or you have obtained the Customer's consent.

(b) *Transaction Responsibility.* You must not proceed with a Transaction if (i) you know or should have known that the Transaction was fraudulent, not authorised by the Customer, or illegal in your or your Customer's jurisdiction; (ii) you receive a response declining to authorise the Transaction; or (iii) the Customer's ability to use a Payment Method has expired or is no longer valid. You must not split payment for a single transaction into multiple Transactions except as the Payment Method Rules, Payment Method Terms and Acquirer Terms expressly permit. You must not submit any Transaction that duplicates a Transaction that is already subject to a Dispute, or was previously disputed and subsequently resolved in your favour. Stripe may refuse to process, or condition or suspend any Transaction that Stripe believes (x) may violate this Agreement or other agreement you have with Stripe (if any); (y) is unauthorised, fraudulent or illegal; or (z) exposes, or is likely to expose, Stripe, you or others to unacceptable risk. When submitting an authorisation request for a Transaction that will be processed using Visa Secure, you must input the Cardholder Authentication Verification Value ("CAVV") your issuing bank or Visa provides to you.

4.3 Settlement Funds.

You appoint Stripe as your agent for the limited purpose of directing, receiving, holding and settling funds under this Agreement. Notwithstanding the prior sentence, no agency is established for tax purposes. All settlement funds Stripe receives for Transactions are combined with settlement funds held for other Stripe users and safeguarded as Safeguarded Funds. Once Stripe receives settlement funds, the relevant Customer has no further obligation to make payments to you with respect to a Transaction. Stripe will promptly update your Stripe Account balance to reflect processed Transactions. If, in the capacity as your agent, Stripe provides a receipt for a Transaction to the applicable Customer, that receipt is binding on you. Prior to transferring settlement funds to the User Bank Account, Stripe may invest Safeguarded Funds as described in Section 5.2 of the General Terms. You have no rights to any earnings generated by Safeguarded Funds and are not entitled to draw funds from any Pooled Account.

4.4 Transaction Settlement Funds.

Stripe will transfer settlement funds for Transactions, net of Fees, Disputes, Refunds, Reversals and other amounts owed to Stripe, from the applicable Pooled Account to the applicable User Bank Account within the time period stated in the Payout Schedule, unless a Payout Delay occurs and affects the transfer initiation, or Stripe exercises a right under this Agreement to withhold or delay the transfer. However, Stripe may impose an additional holding period before making the initial settlement to a User Bank Account.

4.5 Sending Funds to Third-Party Recipients.

Stripe may offer you the ability to send to a third party funds owed to you as you instruct Stripe (including by sending all or part of the positive balance in your Stripe Account to that third-party recipient's Stripe account or bank account), instead of settling funds to a User Bank Account. If Stripe sends funds to a third-party recipient which may include the use of a payment intermediary operating on your behalf, as this Section 4.5 contemplates, then Stripe's obligations (and all applicable Payment Method Provider and Payment Method Acquirer obligations) to settle those funds to you are satisfied.

4.6 Settlement Fees.

Stripe is not responsible for any fees imposed by banks to which Stripe transfers funds, including the banks that hold the User Bank Accounts and the third-party recipient accounts.

4.7 Subscriptions and Invoicing.

If you use the Services to submit recurring or subscription Transactions, then before submitting the initial Transaction, you must (a) inform each Customer that the relevant Transactions will occur on an ongoing basis; and (b) explain the method for cancelling the Customer's recurring billing or subscription. If you use the Services to issue invoices to Customers, you must ensure that the form

and content of the invoices comply with Law and are sufficient to achieve the legal or tax effects that you are trying to achieve.

4.8 Customer Authorisations.

If you use the Stripe Payments Services for certain Transactions where the Customer is not present, including MOTO Transactions or Merchant Initiated Transactions, or to store a Customer's Payment Method for future use, you may be required by Law and Payment Method Rules to obtain the Customer's authorisation (also known as a mandate or agreement for the provision of products or services) and make certain disclosures to the Customer. These disclosures may include when, and under what circumstances, the Customer's Payment Method will be charged, how the payment amount will be determined, and how future payments can be canceled. You must retain, and provide to Stripe upon request, records demonstrating that you have (a) obtained any required Customer authorisations in compliance with Law and Payment Method Rules; and (b) only submitted Transactions as MOTO Transactions or Merchant Initiated Transactions that you have determined are eligible.

5. Actions Stripe May Take in Processing Transactions.

5.1 Reconciliation and Responsibility.

As between the parties, and except as required by Law, you are responsible for reviewing your Transaction history for accuracy and completeness, and reconciling your Transaction history with the history of transfers from the Pooled Accounts to the User Bank Accounts. If you find an error when you reconcile your Transaction history, Stripe will reasonably cooperate with you to investigate and help correct that error as long as you notify Stripe of the error within 13 months after the error appears in your Transaction history. Stripe may correct any errors in your Transaction history by crediting or debiting the User Bank Accounts.

5.2 Negative Balances.

If your Stripe Account balance (or the Stripe Account balance of any User Entity) is negative, or does not contain funds sufficient to pay amounts that you (or a User Entity) owe to a Stripe Entity or Customers, then without limiting Stripe's rights under Sections 4.2 and 4.3 of the General Terms, Stripe may debit the User Bank Accounts by the amount necessary to collect, and pay out to Customers if applicable, the amounts you owe.

5.3 Disputes; Refunds; Reversals.

Notwithstanding anything to the contrary in this Agreement, you are liable to Stripe for the full amount of all Disputes (unless and until a Dispute is resolved to final disposition in your favor according to applicable Payment Method Rules and as described in the Documentation), Refunds and Reversals regardless of the reason or timing.

(a) *Disputes*. Stripe may delay or withhold paying out a Transaction amount from funds owed to you if Stripe reasonably believes that a Dispute is likely to occur with respect to that Transaction. Stripe may delay or withhold paying out amounts subject to an actual Dispute until the Payment Method Provider resolves the Dispute.

(b) *Refunds*. If you intend to issue a Refund to a Customer, you must initiate a Refund instruction via the Services within 5 days after informing the Customer of your intention. Stripe may refuse to act upon a Refund instruction, or delay executing the instruction, if you are the subject of an Insolvency Event, if it would cause a negative balance in your Stripe Account, or if Stripe believes that there is a risk you will not meet your liabilities under this Agreement.

(c) *Reversals*. Without limiting Stripe's rights under Sections 5.4 - 5.6 of these Stripe Payments Terms, Stripe may initiate a Reversal if:

- (i) the Payment Method Provider invalidates the Transaction;
- (ii) you receive funds in error for any reason;
- (iii) you were not authorised to accept the Transaction;

(iv) you receive funds related to activities that violate this Agreement, Law or Financial Services Terms; or

(v) a Payment Method Provider or Payment Method Acquirer requires Stripe to do so under the applicable Financial Services Terms.

5.4 Stripe Remedies – Specific Triggers.

Stripe may exercise any or all of the remedies stated in Section 5.6 of these Stripe Payments Terms if Stripe determines that a User Entity:

(a) has incurred or is likely to incur excessive Disputes, Refunds or Reversals;

(b) has submitted one or more Transactions for goods or services not immediately deliverable to the Customer without first obtaining Stripe's consent;

(c) has a negative Stripe Account balance;

(d) has experienced or is likely to experience a change in the average time between the initial charge and fulfilment of Customer orders that Stripe considers to be material;

(e) is or is likely to become the subject of an Insolvency Event;

(f) has experienced or is likely to experience a deterioration of its business or financial condition that Stripe considers to be material;

(g) has breached or is likely to breach, or has caused or is likely to cause Stripe to breach, this Agreement (or any other Stripe services agreement with a Stripe Entity) or the Financial Services Terms applicable to the User Entity's use of the Services;

(h) has violated or is likely to violate Law or Financial Services Terms;

(i) has caused or is likely to cause Stripe to violate Law or Financial Services Terms;

(j) has experienced or is likely to experience a Change of Control;

(k) has, either itself or by way of its employees, agents, directors or contractors, initiated Transactions or undertaken any other action that is or is likely to be fraudulent, suspicious or involve criminal activity;

(l) has, without Stripe's prior consent, changed its business model (including services supplied by a User Entity to its customers), exposing Stripe to increased risk; or

(m) has acted in a manner or engaged in business, trading practice or other activity that presents an unacceptable risk.

5.5 Stripe Remedies – General Trigger.

Stripe may exercise any or all of the remedies stated in Section 5.6 of these Stripe Payments Terms if

(a) Stripe reasonably determines that Stripe may incur losses resulting from credit, fraud, criminal activity or other risks associated with a User Entity after these Stripe Payments Terms terminate; or

(b) Law requires.

5.6 Stripe Remedies – Scope.

Stripe may, in accordance with Sections 5.4 and 5.5 of these Stripe Payments Terms:

(a) initiate Reversals;

(b) change the Payout Schedule or delay or cancel the payout of funds to the User Bank Accounts;

(c) establish, fund and use a Reserve;

(d) debit the User Bank Accounts or the bank or financial institution accounts of any or all User Group Entities;

(e) suspend or terminate your ability to accept or process Transactions;

(f) refuse to (i) process Transactions, and (ii) act upon Refund instructions; and

(g) setoff or recoup all liability that Stripe reasonably determines a User Entity owes to Stripe or a Stripe Affiliate under this Agreement or another agreement, against any amounts that a Stripe Entity owes to a User Entity whether the liability is matured, unmatured, liquidated or unliquidated.

5.7 Reserve.

If Stripe establishes a Reserve, Stripe will notify you of the Reserve terms. If Stripe uses Safeguarded Funds to fund a Reserve, then Stripe will no longer safeguard those funds on your behalf. Stripe may change the Reserve terms (a) if Stripe believes that there is, or is likely to be, a change in the underlying risk presented by the User Group's use of Stripe services; or (b) as a Payment Method Acquirer or Payment Method Provider requires. Stripe will hold all Reserves in Pooled Reserve Accounts with Financial Partners in Stripe's name and will own all earnings generated from those Reserves. You have no legal or equitable right or interest in any Reserve, or earnings generated by any Reserve, and are not entitled to draw from any Reserve. If you become subject to an Insolvency Event, a Reserve will not be part of any estate created in connection with that Insolvency Event. Stripe may fund a Reserve through any or all of:

(i) using funds you provide upon Stripe's request;

(ii) using funds that a Stripe Entity owes to any User Entity for Transactions that the User Group accepts through the Stripe Payments Services; and

(iii) debiting the User Bank Accounts or the bank or financial institution accounts of any or all User Group Entities.

5.8 Security Interest.

You will execute all documents Stripe reasonably requests to create, perfect, maintain and enforce a security interest over assets Stripe believes are necessary to secure your performance of your payment obligations under this Agreement.

5.9 Credit Support Requirement.

Stripe may require that you provide a guarantee (including a personal, parent or bank guarantee) or letter of credit in a form and substance that satisfies Stripe. In this event, Stripe will inform you of the amount of and the reasons for the requirement. If you are unable to satisfy the requirement when Stripe requires you to do so, Stripe may suspend or terminate your access to the Services.

6. Multi-Currency Processing.

Stripe may offer Multi-Currency Processing. To use Multi-Currency Processing, you must provide to Stripe a valid bank account for each currency for which you request settlement, based on the list of available settlement currencies stated in the Documentation. Each of these bank accounts is a User Bank Account for the purposes of this Agreement. If you use Multi-Currency Processing, Stripe will identify at the time of each applicable Transaction the conversion rate that will apply to the Transaction. In the event of a Refund, the conversion rate that will be used to calculate the Refund will be the rate in effect at the time of the Refund.

7. Post-Termination Obligations.

7.1 Completion of Transactions.

Following termination of these Stripe Payments Terms, you must fulfil your obligations related to existing Transactions, not accept new Transactions via the Services, and remove all Marks of a Stripe Entity or a Financial Partner from your website (unless permitted under a separate license with the applicable Financial Partner). Stripe will complete Transactions initiated before termination as long as Stripe would have completed those Transactions were these Stripe Payments Terms still in place (e.g., Stripe will not complete a Transaction if a Financial Partner prohibits Stripe from doing so). Termination does not affect your responsibility for Transactions described in Section 3 of these Stripe Payments Terms.

7.2 Provision of Payment Account Details.

If these Stripe Payments Terms terminate for reasons other than your breach, then within 30 days after the termination date, you may request in writing that Stripe provide all relevant Payment Account Details to an alternative PCI-DSS Level 1-certified payment processor that you identify to Stripe. Stripe will provide the Payment Account Details that you are entitled to receive to the named payment processor to the extent commercially reasonable. Stripe may delay or refuse any request if Stripe believes the payment processor you have identified does not have systems or controls in place that are sufficient to protect Payment Account Details, that the integrity of Payment Account Details may be compromised, or that Law or Financial Services Terms do not allow Stripe to provide the Payment Account Details.

8. User Information Updates.

You must immediately notify Stripe, and provide to Stripe updated User Information, if you experience or anticipate experiencing a material change in the average time between the initial charge and fulfillment of Customer orders. Upon request, you must promptly provide to Stripe information related to Transactions and Disputes, including (a) refund and shipping policies (if applicable); (b) data on captured but unfulfilled charges; and (c) data on the time between charge capture and fulfillment of Customer orders.

9. PCI Standards Compliance.

If you elect to store or hold "Account Data," as defined in the PCI Standards (including Customer card account number or expiration date), you must maintain a system that complies with the PCI Standards and upon Stripe's request, you must provide to Stripe evidence of your compliance. If you do not comply with the PCI Standards, or if Stripe or any Payment Method Provider or Payment Method Acquirer is unable to verify your compliance with the PCI Standards, Stripe may suspend your Stripe Account or terminate this Agreement, in whole or in part. If you intend to use a third-party service provider to store or transmit Payment Account Details (including Customer card account number and expiration date) then you must not share any Payment Account Details with the service provider until you verify that the third party holds sufficient certifications under the PCI Standards, and must [notify Stripe](#) of your intention to share Payment Account Details with the service provider. Further, you agree to never store or hold any "Sensitive Authentication Data," as defined by the PCI Standards (including the card verification value or similar security code), at any time. You can find information about the PCI Standards on the [PCI Council's website](#).

10. Representations and Warranties.

You represent as of the Effective Date, and warrant during the Term, that (a) you only use the Payment Methods and Stripe Payments Services for bona fide commercial transactions (which must be free of liens, claims, and encumbrances other than ordinary sales taxes) for the sale of goods or services to, or other act with, Customers; (b) except as Stripe approves, you do not use the Stripe Payments Services for intercompany transactions; (c) you fulfil all of your obligations to Customers; and (d) you and your third-party service providers that store, access or transmit Payment Account Details comply with the PCI Standards, as applicable.

11. Fraudulent Transactions.

As between the parties, you are responsible for all (a) losses, damages, and costs Stripe and its Affiliates incur due to fraudulent Transactions, and the limitations on liability in Section 12.2 of the SSA do not apply; and (b) costs associated with any Financial Partner-initiated audit or forensic investigation arising out of or relating to your use of the Stripe Payments Services.

12. Liability for Failure to Transfer Funds.

The limitation of liability in Section 12.2(b) of the General Terms will not apply to claims you or your Affiliates make against the Stripe Parties for failing to transfer any settlement funds the Stripe Parties receive and owe to you in connection with the Stripe Payments Services. For these claims, the Stripe Parties' liability is limited to the amount that the Stripe Parties have received and owe, but failed to transfer, to you.

13. Complaints.

If you have a complaint with the Stripe Payments Services, please contact complaints@stripe.com. You can find more information about Stripe's Complaints Policy [here](#). If your complaint is unresolved, you may be entitled to refer it to the Financial Ombudsman Service (FOS). You can find more information about the FOS, its contact details and the eligibility requirements in Stripe's Complaints Policy and at www.financial-ombudsman.org.uk.

Stripe Connect - Platform

Last modified: November 11, 2024

1. Stripe Connect Services.

These terms ("Stripe Connect Terms") supplement the General Terms and the Stripe Payments Terms and govern your use of the Stripe Connect Services as a Stripe Connect Platform. You may use the Stripe Connect Services to enable your Platform Users to use the Services in conjunction with your Platform Services.

2. Stripe Obligations.

2.1 Connected Accounts.

Connected Accounts may use the Services in accordance with the Connected Account Agreement. Stripe may suspend or stop providing any Services to Connected Accounts in accordance with the terms of the Connected Account Agreement. Stripe has a direct contractual relationship with each Connected Account under the Connected Account Agreement and will provide the Services directly to each Connected Account. You acknowledge that Connected Accounts may choose to use Stripe services outside of the Connected Accounts' relationship with you.

2.2 Amendments to Connected Account Agreement.

For Custom Accounts, Express Accounts and all other Connected Accounts that do not have a Stripe Dashboard, Stripe will notify you if Stripe modifies the relevant Connected Account Agreement. You must notify those Connected Accounts of the modification promptly after you receive the modification notice from Stripe.

2.3 Definitions Applied to Connected Accounts; General Terms Clarification.

Where defined terms are applied to a Connected Account (rather than you) in these terms, the relevant definition will be deemed to reference the Connected Account (e.g., when the term Services is applied to a Connected Account it means the Stripe services that Stripe makes available to the Connected Account under the Connected Account Agreement, and when the term Disputes is applied to a Connected Account it means Disputes that Connected Account incurs). Connected Accounts are not third parties for the purposes of, or eligible to make a Claim under, Section 11 of the General Terms.

3. Your Obligations.

3.1 Stripe Connect Services Integration and Use.

You must integrate the Stripe API and use the Stripe Connect Services in accordance with the Documentation and this Agreement. You must use the Stripe Connect Services and Connected Account Data in accordance with Law and your Platform Provider Agreement. You must clearly and prominently disclose all Platform Fees, if any, and, to the extent charged separately, the Services.

3.2 Connected Accounts and Transactional Risk.

You must ensure that Connected Accounts do not use the Services in breach of the Connected Account Agreement or for any activity that Law or this Agreement prohibits. You must immediately inform Stripe if you become aware that a Connected Account is engaging in any activity that is fraudulent, deceptive or harmful, or in breach of the Connected Account Agreement or this Agreement. You must cooperate with Stripe to reduce the risk of fraud or other misuse of the Services, including by providing relevant information to Stripe.

3.3 Prohibited and Restricted Businesses.

You must ensure that no Connected Account uses the Services to conduct a Prohibited or Restricted Business or transact with a Prohibited or Restricted Business.

3.4 Activity.

A Connected Account may perform Activity, or you may perform Activity on behalf of a Connected Account, depending on how you integrate the Stripe API into your Platform Services. You are responsible for all Activity initiated by you, your representatives, and any individual or entity using your credentials, including your Stripe Account login and password and your Stripe API key. Notwithstanding anything to the contrary in this Agreement, where either Stripe or a Connected Account incurs any losses, damages or costs based on unauthorised Activity initiated by you or on your behalf, then as between Stripe and you, you are liable for those losses, damages or costs.

3.5 Your Agreements with Connected Accounts.

Your Platform Provider Agreement must explain how you access and use Connected Account Data, and the Activity that you may conduct on the Connected Accounts' behalf via the Stripe Connect Services. Your Platform Provider Agreement must also authorise you to perform that Activity, and to share the Connected Account Data with Stripe.

3.6 Limitations.

You must not use the Stripe Connect Services to access any Connected Account Data or conduct any Activity, or attempt to do either, for which the relevant Connected Account has not authorised, or has withdrawn the authorisation.

3.7 Use of Stripe.js.

This Section 3.7 only applies to Users located in France). User will load the stripe.js JavaScript library from <https://js.stripe.com/v2/> or <https://js.stripe.com/v3/> on all pages with which customers and donors interact when making payments to User or Connected Accounts. User must also use the stripe.js JavaScript library to tokenise Payment Account Details.

4. Stripe Connected Account Options.

4.1 Platform Account Options.

You may elect to enrol each Platform User as (a) one of Stripe's named Connected Account types: Standard Account, Custom Account or Express Account; or (b) a Connected Account with a distinct combination of attributes (e.g., onboarding experience and dashboard user interfaces, Merchant Loss risk management and pricing control), as described in the Documentation. Depending on your enrolment election, you may (a) assist your Platform Users in creating Stripe accounts or integrating their existing Stripe accounts into your Platform Services; and (b) provide Connected Account Data to Stripe during the enrolment process. Section 8 of the General Terms applies to all Connected Account Data that you provide to Stripe. Stripe may refuse to create a Stripe account for a Platform User or limit the functionality available to a Platform User until Stripe is satisfied that it has received sufficient information about that Platform User.

4.2 Attribute-Based Connected Accounts.

This Section 4.2 only applies to Connected Accounts that are enrolled with a distinct combination of attributes (i.e., not Standard Accounts, Custom Accounts or Express Accounts).

(a) *Enrolment.* You must create and manage the Stripe accounts for these Connected Accounts. You must ensure that Connected Account Data is provided to Stripe in the manner prescribed in the Documentation, and that Connected Accounts without Platform Pricing Control have access to the Stripe Dashboard.

(b) *Connected Account Agreement.* You must ensure that each Platform User that you intend to onboard as one of these Connected Accounts agrees to the Connected Account Agreement before it uses any Stripe services. You may surface the Connected Account Agreement either through a Stripe-powered onboarding flow (e.g., embedded, Stripe-hosted or Stripe-assisted onboarding), or through your own onboarding flow. At Stripe's request, you must provide proof as Stripe requires that these

agreements have been entered into between the Connected Accounts and Stripe. If Stripe believes that your existing acceptance process does not create a binding agreement between Stripe and each Connected Account, then, upon Stripe's request, you must modify that process as Stripe requires.

(c) *Responsibility for Connected Accounts.* As between Stripe and you, you are responsible for all Activity on these Connected Accounts, whether initiated by you or not, and are liable to Stripe for all resulting Merchant Losses (except with respect to SMR-Enabled Connected Accounts to the extent stated in Section 5.2 below) and any other losses, damages, and costs that result from use of the Services, including any fines assessed by Financial Partners or Governmental Authorities, except to the extent the losses, damages, or costs arise from Stripe's breach of this Agreement or Stripe's negligence, willful misconduct, or fraud. You remain jointly and severally liable with these Connected Accounts to Stripe for these amounts, and Stripe may collect these amounts from you in accordance with the Agreement.

4.3 Standard Accounts.

This Section 4.3 only applies to Standard Accounts.

(a) *Enrolment.* For Standard Accounts, you will have access to certain Connected Account Data. Stripe may require you to collect and provide additional Connected Account Data to validate a Standard Account.

(b) *Termination.* A Standard Account may at any time terminate your ability to conduct Activity on its Stripe account.

4.4 Custom Accounts and Express Accounts.

This Section 4.4 only applies to Custom Accounts and Express Accounts.

(a) *Enrolment.* You must create and manage the Stripe accounts for Custom Accounts and Express Accounts. You must ensure that Connected Account Data is passed to Stripe in the manner prescribed in the Documentation.

(b) *Connected Account Agreement for Custom Accounts.* You must ensure that each Platform User that you intend to onboard as a Custom Account agrees to the Connected Account Agreement before it uses any Stripe services. At Stripe's request, you must provide proof as Stripe requires that these agreements have been entered into between the Custom Accounts and Stripe. If Stripe believes that your existing acceptance process does not create a binding agreement between Stripe and each Custom Account, then, upon Stripe's request, you must modify that process as Stripe requires.

(c) *Stripe Dashboard.* Custom Accounts will not have access to a Stripe Dashboard.

(d) *Responsibility for Custom Accounts and Express Accounts.* You are responsible and liable to Stripe for all Activity on Custom Accounts and Express Accounts, whether initiated by you or not, including all Transactions, Disputes, Refunds, Reversals, associated fines and any use of the Services in a manner prohibited under this Agreement or the Connected Account Agreement. You and the relevant Connected Account are jointly and severally liable to Stripe for amounts the Connected Account owes to Stripe, and Stripe may collect these amounts from you in accordance with this Agreement. If Stripe determines that your responsibility for Activity on Custom Accounts and Express Accounts creates an unacceptable risk to Stripe, Stripe may exercise its remedies listed in Section 5.6 of the Stripe Payments Terms.

5. Stripe Managed Risk Services.

5.1 Requirements for Using Stripe Managed Risk Services.

(a) *Enrollment.* When using Stripe Managed Risk Services, all your Connected Accounts must be SMR-Enabled Connected Accounts, except (i) as Stripe expressly approves in writing signed by the parties or as is otherwise permitted in the Documentation; (ii) when you are transitioning pre-existing Platform Users from Connected Account types that do not enable Stripe Managed Risk Services to SMR-Enabled Connected Accounts, which you must do within a reasonable time period and in accordance with the Documentation; and (iii) during the Post-SMR Transition Period.

(b) *Required Stripe Technology*. You must use all applicable Stripe Technology that Stripe requires for using Stripe Managed Risk Services as described in the Documentation (e.g., Stripe-powered onboarding and interfaces). Stripe will enable Stripe Radar Services on all SMR-Enabled Connected Accounts by default, and you must not disable these Services. The Fees for Stripe Radar Services are not included in the Stripe Managed Risk Services Fees.

5.2 Liability for Merchant Losses.

As between you and Stripe, Stripe is liable for Merchant Losses on an SMR-Enabled Connected Account up to the amount of the risk cap, if any is expressly agreed on by the parties, except (a) as stated in Section 5.5; and (b) to the extent these Merchant Losses arise from your fraud, violation of Law, breach of the Agreement (including these Stripe Connect Terms), negligence, willful misconduct, or misuse of the Stripe Connect Services. The limitations on liability in Section 12 of the General Terms will not apply with respect to Stripe's liability for Merchant Losses under this Section 5.2.

5.3 Changes in Risk Profile.

Stripe determines the Stripe Managed Risk Services Fees based on the risk profile Stripe associates with your Connected Accounts. If Stripe determines that the risk profile of your SMR-Enabled Connected Accounts changes significantly, then Stripe may revise the Stripe Managed Risk Services Fees. Stripe will notify you at least 30 days (or a longer period if Law requires) before the revised Stripe Managed Risk Services Fees apply to you.

5.4 Transitioning Off Stripe Managed Risk Services.

To transition off Stripe Managed Risk Services, you must either permanently stop using Stripe Connect Services with respect to all SMR-Enabled Connected Accounts, or migrate all payments volume from SMR-Enabled Connected Accounts to Connected Account types that do not enable Stripe Managed Risk Services within a reasonable time period. Stripe Managed Risk Services Fees will continue to apply for all Transactions on SMR-Enabled Connected Accounts during and after the Post-SMR Transition Period.

5.5 Liability for Merchant Losses During Post-SMR Transition Period.

You and the relevant Platform User become jointly and severally liable to Stripe for all Merchant Losses on all SMR-Enabled Connected Accounts associated with a Platform User from when you initiate the first Transaction for that Platform User on a Connected Account type that does not enable Stripe Managed Risk Services. Stripe may collect these amounts according to the Agreement and the Connected Account Agreement, as applicable, including Merchant Losses that arise during the Post-SMR Transition Period resulting from Activity that occurred before the Post-SMR Transition Period. To the maximum extent permitted by Law, Stripe's aggregate liability for Merchant Losses on all SMR-Enabled Connected Accounts during the Post-SMR Transition Period will not exceed the amount of the General Damages cap stated in Section 12 of the General Terms. Stripe's liability for Merchant Losses on SMR-Enabled Connected Accounts ends at the end of the Post-SMR Transition Period.

6. Tax Reporting; Tax Invoicing.

6.1 Filing of Tax Information Reports.

Unless Stripe notifies you otherwise, Stripe will not file any, and you assume sole responsibility and liability for filing all, Tax Information Reports required to be filed as a result of Services Stripe provides to you under this Agreement or to Connected Accounts under their Connected Account Agreement. Notwithstanding the prior sentence, if applicable, Stripe will file Tax Information Reports with respect to payments made to Standard Accounts, and for Transactions on Connected Accounts that do not have Platform Pricing Control.

6.2 Indemnity.

You will indemnify Stripe from all Taxes, and related interest, penalties and fees (excluding any income, franchise or similar taxes payable with respect to the Fees), if any, imposed on a Stripe Entity as a result of your failure to timely file any Tax Information Report under Section 6.1 of these Stripe Connect Terms.

6.3 Issuing Tax Forms.

When Stripe files Tax Information Reports as stated in Section 6.1, Stripe will issue Tax Information Reports (if applicable) directly to the Connected Accounts. For Custom Accounts and Express Accounts, and for Transactions on Connected Accounts that have Platform Pricing Control, Stripe will issue Tax Information Reports (if applicable) directly to you only.

6.4 Tax Invoices.

(a) *Standard Accounts, Custom Accounts and Express Accounts.* For Standard Accounts, Stripe will issue Tax invoices, as applicable, to: (i) you under these Stripe Connect Terms; (ii) Standard Accounts under their Connected Account Agreement; or (iii) both you and the Standard Accounts. For Custom Accounts and Express Accounts, Stripe will issue Tax invoices (if applicable) to you only.

(b) *All Other Connected Accounts.* For all other Connected Accounts, you and Stripe agree (i) for each Transaction on Connected Accounts that do not have Platform Pricing Control, Stripe is providing its Services to the Connected Accounts and will issue Tax invoices directly to the Connected Accounts only; and (ii) for each Transaction on Connected Accounts that have Platform Pricing Control, Stripe is providing its Services to you and will issue Tax invoices directly to you only, and you will be treated as making separate taxable supplies to your Connected Accounts for purposes of this section.

7. IRS Form 1099 Services.

7.1 IRS Form 1099 Services.

You may use the IRS Form 1099 Services to generate copies of IRS Form 1099 and deliver them to the applicable Governmental Authorities, as described in the Documentation.

7.2 Disclaimer.

When using IRS Form 1099 Services, you are responsible for, and Stripe disclaims all liability with respect to:

- (a) your fulfillment of your obligations under Law, including with respect to Taxes;
- (b) the accuracy of the Tax calculations, and your obligation to pay any fine, penalty, or other sanction imposed by a Governmental Authority as a result of the use of the IRS Form 1099 Services; and
- (c) your action, or failure to act, as a result of any directions or recommendations you receive related to the use of the IRS Form 1099 Services.

7.3 Information Accuracy; No Tax Advice.

Stripe will not validate, and is not responsible for, the accuracy of the information you or your Connected Accounts provide to Stripe. The IRS Form 1099 Services do not constitute tax advice, or tax filing or reporting assistance.

8. Data Use.

Each party may use Connected Account Data in accordance with this Agreement and any consent or agreement it obtains from each Connected Account, which, as to Stripe, includes the Connected Account Agreement. You must provide all notices and obtain all necessary rights and consents for Stripe to lawfully process Connected Account Data as you instruct. Stripe may refuse to process Connected Account Data as you instruct if Stripe reasonably believes complying with your instructions would require Stripe to violate Law or the Connected Account Agreement.

9. Your Liability for Connected Accounts.

Except with respect to Standard Accounts and except to the extent covered by Stripe Managed Risk Services, if applicable, your liability for all Connected Accounts as described in these Stripe Connect Terms, including liability arising out of or relating to your failure to ensure that each Connected Account agreed to the Connected Account Agreement in a legally binding way, is not limited or excluded in any way, notwithstanding anything to the contrary in this Agreement.

Stripe Adaptive Pricing

Last modified: April 26, 2024

1. Stripe Adaptive Pricing Services.

These terms ("Stripe Adaptive Pricing Terms") supplement your Agreement with Stripe including any Services Terms, as applicable, and govern your use of the Stripe Adaptive Pricing Services ("Stripe Adaptive Pricing Services"). Stripe Adaptive Pricing Services are a price calculation tool provided by Stripe to Users that enables Users to present the price of User's goods and services in the Stripe Adaptive Pricing Services supported currencies.

2. Permitted Use.

You may use the Stripe Adaptive Pricing Services only in conjunction with the Stripe Payments Services.

3. Currency Exchange Rates.

3.1 Applicable Currency Exchange Rates.

The currency exchange rates the Stripe Adaptive Pricing Services display or apply to your Transactions may differ from the currency exchange rates Stripe obtains from its service providers or publicly available resources.

3.2 Effect of your use of Stripe Payment Services.

How you elect to set up your Stripe Payment Services may affect the application of currency exchange rates the Stripe Adaptive Pricing Services provides to your Customers. For example, if you manually set prices in a particular currency, then those prices may override the Stripe Adaptive Pricing Services' determined prices in that same currency and affect the overall currency exchange rate calculated for that Customer's Transaction.

3.3 Currency Exchange Rate May Change

Stripe reserves the right to apply the applicable currency exchange rate as at the time the Customer's Transaction settles, which might differ from the currency exchange rate the Stripe Adaptive Pricing Services used to present the Customer payable amount.

3.4 Adding and Removing Currency Exchange Rates.

Stripe reserves the right to add or remove Stripe Adaptive Pricing Services supported currencies at any time without notice.

4. No Foreign Exchange Service.

The Stripe Adaptive Pricing Services are a currency presentment tool and do not provide:

- (a) the supply of foreign currencies to you; or
- (b) a foreign currency exchange or similar service.

5. Disclaimer.

You remain fully responsible for, and Stripe disclaims all liability with respect to:

- (a) your fulfillment of your obligations under Law, including with respect to your use of the Stripe Adaptive Pricing Services;
- (b) the accuracy of the prices the Stripe Adaptive Pricing Services present to you and your Customers and the currency exchange rates the Stripe Adaptive Pricing Services use and apply;
- (c) any fees charged to you or your Customers by your bank or any other applicable financial institution; and
- (d) your action, or failure to act, as a result of any directions or recommendations you receive related to the Stripe Adaptive Pricing Services.

Stripe Climate

Last modified: November 20, 2023

These Stripe Climate Commitment terms ("Climate Commitment Terms") and Stripe Climate Orders terms ("Climate Orders Terms") (collectively, the "Terms") supplement the General Terms, and govern your use of Stripe Climate Commitment and Stripe Climate Orders. Frontier Climate Operations, LLC ("Frontier"), Stripe's Affiliate, provides Stripe Climate Orders. For purposes of Stripe Climate Orders, each reference to "Stripe" in the General Terms will be read as a reference to Frontier.

1. Overview

Stripe conducts research into Climate Projects and purchases carbon removal services. You may make voluntary contributions to Climate Projects through Stripe Climate Commitment. Frontier uses Offtake Agreements to acquire Carbon Removal Units. You may verify the availability of, and purchase Retirement Services through Stripe Climate Orders.

2. Stripe Climate Commitment Terms

2.1 Opting In and Out, and Changes.

You must opt in to make a contribution during onboarding or via the Stripe Climate Commitment page of your Stripe Dashboard. You may opt out of, change, or pause your contribution to Stripe Climate Commitment at any time in your Stripe Dashboard.

2.2 Climate Commitment Funds.

(a) *Climate Commitment Funds Allocation.* Once you opt in, Stripe or its Affiliate may deduct the Climate Commitment Funds from your Stripe Account balance or User Bank Account on a per-Transaction basis, or as an amount aggregated over a period of time, as described in your Stripe Dashboard. Stripe will allocate all Climate Commitment Funds to advance the field of carbon removal, through activities such as purchasing metric tons of carbon removal, or funding research and development for new carbon removal technologies. Climate Commitment Funds are not refundable.

(b) *Stripe Climate Commitment Goals.* The goal of Stripe Climate Commitment is to help advance the field of carbon removal and Climate Commitment Funds will be used in support of that goal. While Stripe will use reasonable efforts to fund impactful Climate Projects, companies receiving Climate Commitment Funds are developing new technology in an evolving industry and their survival and success in addressing climate issues are not guaranteed. Development timelines of many new technologies are long, the resulting impact may not be immediate, and there is always a risk that the chosen technologies fail to deliver any carbon removal. Even if they are eventually successful in obtaining results, Climate Projects may take years to produce those results.

(c) *Use of Climate Commitment Funds.* You decide voluntarily whether to, and in what amount, to allocate Climate Commitment Funds. Stripe may choose not to use your Climate Commitment Funds immediately after deducting them from your Stripe Account; rather, Stripe may allocate them after Stripe identifies a Climate Project. Stripe will inform you regularly about how Climate Commitment Funds were allocated. Stripe will not apply Climate Commitment Funds toward its own corporate or administrative costs.

(d) *No Carbon Credits.* The carbon removal services Stripe purchases are not certified by any governmental or non-governmental body. They are not "authorized" under Article 6 of the Paris Agreement. Stripe disclaims all warranties regarding (i) the status under applicable governmental or non-governmental programs or pursuant to standards set by governmental or non-governmental bodies, whether implemented now or in the future, (ii) the availability of any current or future tax credit, benefit, or treatment, or (iii) any other financial benefits, associated with the carbon removal services that Stripe purchases.

(e) *Taxes.* The Climate Commitment Funds you allocate may not be eligible for a tax deduction. You should consult with your tax or legal advisor on the local tax treatment of allocated Climate Commitment Funds. Climate Commitment Funds exclude all Taxes, except as the Documentation states to the contrary.

3. Stripe Climate Orders Terms

3.1 Your Use of Stripe Climate Orders.

You must only use Stripe Climate Orders in compliance with these Stripe Climate Orders Terms. You must use the Stripe Climate Orders for business purposes only, which must be consistent with the business purpose descriptions you provided to Stripe at the time of onboarding and updated at any time thereafter. You may not use the Stripe Climate Orders for personal, family, or household use.

3.2 CRUs.

(a) Frontier uses Offtake Agreements to acquire CRUs, as further described on the Frontier Webpage. To the extent commercially reasonable, Frontier will review (i) the sources of CRUs; and (ii) the terms governing the generation of those CRUs.

(b) Frontier will make Retirement Services available to you for purchase subject to: (i) the availability of CRUs in carbon markets; (ii) Frontier's ability to secure all necessary rights (including contractual rights) for the future delivery of the CRUs; and (iii) Frontier's receipt of those CRUs. You may verify the availability of CRUs for Retirement, and purchase Retirement Services using the Climate API or the Dashboard. While Frontier will provide you with information about the CRUs available for Retirement, it is your responsibility to verify that the CRUs meet your needs or the needs of a Beneficiary.

(c) Frontier may be unable to acquire sufficient quantities of CRUs to fulfill orders for Retirement Services. The CRU(s) that Frontier ultimately Retires on your behalf may have been generated from an Offtake Agreement that Frontier executed after your initial purchase. In order to provide Retirement Services, Frontier reserves the right to: (i) substitute CRUs from any one carbon removal supplier with a CRU from a different carbon removal supplier; or (ii) allocate then-current inventory of CRUs among Purchasers.

(d) The CRUs are not "authorized" under Article 6 of the Paris Agreement. Frontier disclaims all warranties regarding (i) the status of CRUs under applicable governmental or non-governmental programs or pursuant to standards set by governmental or non-governmental bodies, whether implemented now or in the future, (ii) the availability of any current or future tax credit, benefit, or treatment, or (iii) any other financial benefits, associated with your purchase of Retirement Services or the associated CRU(s).

3.3 Retirement.

(a) On or before the last day of the Retirement Year, Frontier: (i) on your behalf, will Retire the CRU; or (ii) if applicable, will transfer title to the CRU to you. If you have designated a Beneficiary, Frontier will Retire the CRU on that Beneficiary's behalf and include the Beneficiary's name in the Registry, if permitted. Frontier will Retire and record the CRU in the applicable Registry in accordance with and subject to the rules of that Registry.

(b) Frontier may not be able to, or may not be permitted to, Retire and record partial CRUs (i.e., partial tons) with a Registry. Frontier may combine partial CRUs and record them in Frontier's name.

(c) If Frontier Retires a CRU on your behalf or on behalf of a Beneficiary, Frontier will notify you of the Retirement via the Climate API, the Dashboard, or, if applicable, by other means you elect in the Dashboard, and deliver a certificate to you evidencing Retirement. Certificates will be digital.

(d) In the event Frontier does not receive sufficient CRUs to fulfill all orders for Retirement Services, Frontier reserves the right, in its sole discretion: (i) to allocate CRUs among Purchasers; or (ii) refund the Fees.

(e) If Frontier determines that it is unable to Retire a CRU in your name or in the Beneficiary's name on or prior to the last day of the Retirement Year of the CRU, Frontier will notify you and, in its sole discretion: (i) may refund the applicable Fees; (ii) may transfer title to the CRU to you; (iii) may record the Retirement of the CRU in Frontier's name and provide certification to you that Frontier completed the Retirement in Frontier's name; or (iv) take other reasonable remedial measures. Neither Frontier nor Stripe will pay you any interest on Fees, and Frontier will have no further obligation to you regarding that Retirement and the associated CRU(s) nor any other obligation to complete any additional Retirements. Frontier will not be liable to you for any other losses, damages, or costs that

you or others may suffer arising out of or relating to Frontier's inability to perform the Retirement Services or the associated CRU.

(f) If Frontier is unable to contact you, or is unable to provide a refund of Fees, for any reason (e.g., you have closed your Stripe Account), Frontier will contribute any amounts due to you to carbon removal programs of its choosing.

(g) Frontier will use commercially reasonable efforts to ensure a CRU can be Retired on your behalf or on behalf of your designated Beneficiary. Frontier does not guarantee that Frontier will be able to Retire a CRU on behalf of a Beneficiary.

3.4 Beneficiaries.

You may designate a Beneficiary when you purchase Retirement Services. If permitted by the applicable Registry, Frontier will include the Beneficiary's name when retiring CRUs. You are responsible for notifying a Beneficiary of a CRU's Retirement. Frontier will not notify a Beneficiary of a CRU's Retirement. These Stripe Climate Orders Terms are intended solely for the benefit of the parties to these Stripe Climate Orders Terms. Frontier has no obligation to any Beneficiary under these Stripe Climate Orders Terms. When you designate a Beneficiary, you will not provide Frontier with a Beneficiary's Personal Data.

3.5 Power of Attorney.

To the extent necessary, you grant to Frontier a power of attorney to act on your behalf or on behalf of a Beneficiary to provide Stripe Climate Orders. You represent as of the Effective Date and warrant during the Term that you have secured the necessary rights and consents from the applicable Beneficiaries to enable Frontier to act on behalf of the applicable Beneficiaries.

3.6 Suspension and Termination.

Frontier may suspend or terminate at any time for any reason your access to Stripe Climate Orders, including your ability to advertise or publicize any CRUs or Stripe Climate Orders.

3.7 Fees.

The Fees are stated on the Stripe Pricing Page. Fees payable for Stripe Climate Orders (including the Climate API and any other technology services related to Stripe Climate Orders) will be determined under the General Terms.

3.8 Frontier Intellectual Property.

(a) Subject to the terms herein, Frontier grants you a worldwide, non-exclusive, non-transferable, non-sublicensable, royalty-free license during the Term to access and use the Climate API and Frontier Marketing Collateral, as long as your access and use is (i) solely as necessary to use Stripe Climate Orders, (ii) solely for your business purposes, and (iii) in compliance with these Terms and the Documentation.

(b) As between you and Frontier, Frontier or its licensors exclusively own and retain all IP Rights embodied by, or contained in Stripe Climate Orders, frontierclimate.com, and other sites operated for Frontier (such IP Rights, collectively, "Frontier IP"). Frontier IP is protected by copyright, trade secret, patent, and other intellectual property laws, and all rights in Frontier IP not expressly granted to you in these Terms are reserved.

(c) During the Term, you and your Affiliates may choose to or we may invite you to submit comments, feedback, or ideas about improvements to Stripe Climate Orders ("Feedback"). You grant, on behalf of yourself and your Affiliates, to Frontier and its Affiliates a perpetual, worldwide, non-exclusive, irrevocable, royalty-free license to use that Feedback for any purpose, including developing, improving, manufacturing, promoting, selling and maintaining Stripe Climate Orders. All Feedback is Frontier's confidential information. All improvements to Stripe Climate Orders belong to Frontier.

(d) As a user of Stripe Climate Orders, Frontier may provide you with digital assets (including digital assets owned by a third party, "Digital Assets") that you may display on your website or otherwise use to promote CRUs available via Stripe Climate Orders. Frontier grants you a limited, revocable, non-

exclusive, non-transferable royalty-free license to use the Digital Assets. When using the Digital Assets, you must comply with the [Stripe Marks Usage Terms](#). 1. Stripe Data Pipeline Services.

These terms ("SDP Terms") supplement the General Terms and govern your use of the Stripe Data Pipeline Services and SDP Data.

2. Use of the Stripe Data Pipeline Services.

2.1 Data Warehouse Account.

You may only use the Stripe Data Pipeline Services in connection with your Data Warehouse account. You must provide Stripe with the correct account identifier and region for your Data Warehouse account.

2.2 Restricted Uses.

You must not, and must not enable or allow any other party to, access or use the Stripe Data Pipeline Services and Stripe Data (a) for any purpose other than the purpose for which it is provided; or (b) in violation of any Law or Services Terms. If any Stripe Data is made available through the Stripe Data Pipeline Services, you must use that Stripe Data only for security or fraud prevention purposes or as

Stripe otherwise agrees in writing. Upon Stripe's request, you will demonstrate your compliance with this section to Stripe's reasonable satisfaction.

3. SDP Data.

You authorize Stripe to transfer SDP Data to the Data Warehouse. The Data Warehouse is the custodian of SDP Data. Stripe is not responsible for any copy of the SDP Data that you or the Data Warehouse makes, including how it is stored, used or disclosed. You must have all necessary rights and consents sufficient to enable Stripe to provide, and for you to use, the Stripe Data Pipeline Services, including to retain, reproduce, and disclose any SDP Data. Upon Stripe's request, you will assist Stripe in complying with its obligations under Law, which assistance may include responding to requests by data subjects or a Governmental Authority.

4. Termination.

Stripe may, by notifying you, immediately suspend or terminate your access to the Stripe Data Pipeline Services if the Data Warehouse stops offering the features or functionality that Stripe uses to provide the Stripe Data Pipeline Services. Upon termination or suspension of the Stripe Data Pipeline Services, you will lose access to the SDP Data in the Data Warehouse. Your obligations under Sections 2.2 and 3 of these SDP Terms, and any existing obligation you have under the Agreement to delete or destroy data, will survive the termination of these SDP Terms.

5. Disclaimer.

You remain fully responsible for, and Stripe disclaims all liability with respect to (a) your compliance with Law, including any notification obligations you may have to any data subjects; and (b) your or any third party's use, storage, modification, reproduction, and disclosure of the SDP Data.

- (h) use the Stripe Identity Services as a factor in determining any person’s eligibility for credit, insurance, housing or employment, or in a manner that would cause Stripe to be a “consumer reporting agency” or cause Stripe Data you receive to constitute a “consumer report”, each as described under Law.

2.3 Further Obligations.

- (a) If Law requires, you must provide each individual with an alternative method of verification that does not involve processing any biometric information.
- (b) If an individual does not consent to Selfie Verification, you may use the Stripe Identity Services to offer an alternative method of verification that does not use Selfie Verification.

3. Use of Data.

3.1 Stripe’s Use of Submitted Data.

Submitted Data is Protected Data for purposes of this Agreement. As part of the Stripe Identity Services, unless the Stripe Identity Services Documentation specifies otherwise, or you instruct Stripe not to do so, Stripe may generate and provide to you verification results and optical character recognition (OCR) results from any documents submitted through the Stripe Identity Services. The results for the Stripe Identity Services are Stripe Data for the purposes of this Agreement.

3.2 Your Use of Identity Services Data and Submitted Data.

You may use Identity Services Data solely for the purpose (i) that you communicated to the Submitted Individuals (and obtained their consent where required by Law); and (ii) that you disclosed to Stripe during the onboarding process for Stripe Identity Services. - (a) Stripe does not guarantee that the Stripe Identity Services will detect or prevent all fraudulent, illegal, or risky activities or correctly evaluate the identity of any individual.
- (b) Stripe makes no representation or warranty that the Stripe Identity Services will enable you to comply with Law, and you remain solely responsible for ensuring that you meet your legal obligations.
- (c) You are responsible and liable for your actions and decisions in connection with the Stripe Identity Services, including your decisions to enter, or not enter, into business relationships with any persons.

(d) Stripe and its Affiliates are not liable for any losses, damages, or costs that you suffer in connection with any fraudulent, illegal, or risky, activities that the Stripe Identity Services did not detect or prevent.

(e) Stripe and its Affiliates are not liable for any losses, damages, or costs caused by your failure to meet any of your Due Diligence Requirements, or by the Stripe Identity Services failing to correctly evaluate any individual.

5. Privacy and Data Protection

5.1 Disclosing Your Privacy Policy

In connection with each evaluation request that is submitted to the Stripe Identity Services, you must use the Stripe API to provide to Stripe a link to the version of your online Privacy Policy that applies to the Submitted Individual.

5.2 Requirements for Your Privacy Policy.

If you receive access to any Submitted Data or Stripe Data as part of the Stripe Identity Services, your Privacy Policy must, at a minimum:

(a) state that you and Stripe are each independent controllers of Personal Data, and that Stripe will process Personal Data in accordance with Stripe's Privacy Policy and these Stripe Identity Terms, in addition to acting as a service provider to you. For example, you may choose to add the following to your Privacy Policy if it does not already include a disclosure to this effect: "We use Stripe for risk and identity verification services. We share personally identifying information with Stripe, which analyzes and uses it to operate and improve the services it provides to us, including for risk evaluation and identity verification. You can learn more about Stripe and read its privacy policy [here](#)."

(b) state the process through which Submitted Individuals can submit data subject requests (including data deletion and data access) to you, and provide your contact information for this purpose;

(c) state the ways in which you will use Submitted Data and Stripe Data, including, if Law requires, whether you will sell or disclose Submitted Data (including as the term "sell" is defined in the CCPA);

(d) if Law requires, (i) state the alternative verification methods that you make available to individuals who do not consent to be verified by the Stripe Identity Services; (ii) state that using the Stripe Identity Services may include transmitting Submitted Data outside of your jurisdiction, including to the United States; and (iii) state that Submitted Data may be submitted to third-party service providers, including Governmental Authorities, for the purpose of evaluating a Submitted Individual; and

(e) include all other information Law requires you to include.

5.3 Minimum Requirements.

If you do not receive access to any Submitted Data or Stripe Data as part of the Stripe Identity Services, your Privacy Policy must, at a minimum, satisfy the requirements of Section 5.2(a), (b) and (d) of these Stripe Identity Terms.

5.4 No Inconsistent Terms.

Your Privacy Policy must not contain any terms that contradict Stripe's or any Stripe service provider's rights to use Submitted Data for the purposes described in these Stripe Identity Terms or as otherwise authorized by the Submitted Individual (e.g., through consent screens provided through the Stripe Identity Services).

5.5 Stripe may Notify or Obtain Consent.

Depending upon your implementation of the Stripe Identity Services, Stripe may provide notice to or obtain consent from Submitted Individuals as described in the Stripe Identity Services Documentation for the purpose of enabling Stripe to provide the Stripe Identity Services.

5.6 Your Obligation to Obtain Consent.

You must obtain all consents from Submitted Individuals that are required for (a) your use of Submitted Data; and (b) Stripe's collection and use of any Personal Data that you submit to Stripe in connection with your use of the Stripe Identity Services. If you provide Stripe with contact information for individuals (e.g. phone numbers or email addresses) for evaluation, Stripe may verify that contact information by sending each individual a message (including SMS). You represent that you have obtained consent from each Submitted Individual for Stripe to send them a message (including SMS).

5.7 Security Controls.

You must implement and maintain safeguards and security controls that are reasonable for the size, nature and maturity of your business and industry to protect Submitted Data and Stripe Data against unauthorized access, use and disclosure. If you fail to do so, in addition to all other remedies available to Stripe, Stripe may suspend or restrict your access to the Stripe Identity Services.

5.8 Assistance to Notify.

If Stripe is required to send a data subject notification to any Submitted Individuals related to your use of the Stripe Identity Services, including a data breach or required notice about a Stripe Privacy Policy update, you must assist Stripe in notifying Submitted Individuals, including by emailing those Submitted Individuals on Stripe's behalf and as Stripe directs.

6. Audit.

6.1 Obligation to Provide Information.

You must provide information that Stripe requests for the purpose of ensuring that you comply with this Agreement, including information verifying:

- (a) that your use of the Stripe Identity Services complies with these Stripe Identity Terms and Law;
- (b) that your receipt and use of the Stripe Data and Submitted Data complies with these Stripe Identity Terms and Law;
- (c) that you have not modified the Stripe Identity Services without Stripe's consent;
- (d) your industry, business activities, licensing and regulatory standing; and
- (e) your purpose for using the Stripe Identity Services.

6.2 Obligation to Respond Promptly.

You must respond to Stripe's requests for information promptly, but no later than 14 days after Stripe's request. Stripe may suspend or terminate your access to the Stripe Identity Services immediately if you fail to provide information Stripe requests under this Section 6.

7. Retention and Deletion of Data.

7.1 Data Stripe Stores on Your Behalf.

(a) You instruct Stripe to store on your behalf a copy of Submitted Data for a period of 3 years following verification, or subject to Stripe's standard maximum retention period for Users, a different period as you may instruct according to the Stripe Identity Services Documentation. You are responsible for (i) determining how long Law requires you to store copies of Submitted Data; (ii) storing (either yourself or through Stripe) the Submitted Data for the time period Law requires; and (iii) fulfilling all data subject requests that you receive with respect to the Submitted Data or Stripe Data. If you or a data subject requests that Stripe delete an individual's Personal Data with respect to the Stripe Identity Services, Stripe will delete any such Personal Data Stripe possesses.

(b) Upon termination of these Stripe Identity Terms, Stripe may delete copies of Submitted Data and Stripe Data that Stripe has stored on your behalf.

7.2 Data Stripe Stores for its Own Purposes.

Notwithstanding Section 7.1 of these Stripe Identity Terms, Stripe may retain a copy of Submitted Data and Stripe Data as long as Law permits.

8. Representation and Warranty.

You represent as of the Effective Date, and warrant at all times during the Term, that you do not use the Stripe Identity Services for any “permissible purpose” under (and as defined in) the FCRA, or in a manner that would violate the GLBA, the United States Driver's Privacy Protection Act, the United States Health Insurance Portability and Accountability Act, or other substantially similar Law.

Stripe Issuing

Last modified: November 11, 2024

These terms (“Stripe Issuing Accountholder Terms”) supplement the General Terms and govern your use of the Stripe Issuing Accountholder Services. Capitalised terms used in these Stripe Issuing Accountholder Terms that are not defined inline or elsewhere in the Agreement are defined in Section 13.

1. Overview

1.1 Stripe Issuing Services and Stripe Issuing Program.

Stripe and its Affiliates make available the Stripe Issuing Accountholder Services, which includes access to the Stripe Issuing Program, for Stripe Issuing Accountholders.

1.2 Issuer.

Stripe PSP is the issuer of the Cards and the E-money held on the Cards. You may contact SPUKL by using the Contact us section of our website or sending mail to Stripe Payments UK Ltd, 211 Old Street, The Warehouse, 7th Floor, London EC1V 9NR, United Kingdom.

2. Use of the Stripe Issuing Services

2.1 Stripe Issuing Administrator.

You must appoint a Stripe Issuing Administrator to administer the Stripe Issuing Program on your behalf (e.g., requesting Cards for Issuing Authorised Users, making changes to the Stripe Issuing Account, managing how Issuing Authorised Users use Cards). You must ensure that the Stripe Issuing Administrator complies with these Stripe Issuing Accountholder Terms. You are responsible for the Stripe Issuing Administrator's acts and omissions in connection with the Stripe Issuing Program.

2.2 Issuing Authorised Users.

In the agreement between you and your Issuing Authorised Users, you must specify that the Issuing Authorised User's use of the Stripe Issuing Program and Stripe Issuing Account must be solely for business-related purchases. You must ensure that Issuing Authorised Users comply with these Stripe Issuing Accountholder Terms, including the prohibition on conducting, or dealing with, a Prohibited or Restricted Business. You are responsible and liable for your Issuing Authorised Users' acts and omissions in connection with their use of Cards. You may only impose liability on Issuing Authorised Users in connection with the Stripe Issuing Program as Law allows. Issuing Authorised Users act under your authority and are not customers of Stripe.

2.3 Compliance.

You represent as of the Effective Date, and warrant at all times during the Term, that you (a) are a commercial business enterprise and the Stripe Issuing Account is for business purposes only; (b) will not use, or permit an Issuing Authorised User to use, the Stripe Issuing Accountholder Services for Card Unauthorised Purposes; and (c) will comply, and ensure that your Stripe Issuing Administrator and Issuing Authorised Users comply, with the Stripe Issuing Program Guidelines.

2.4 Issuing Complaint Handling.

You must submit each Issuing Complaint within 3 business days after you receive the Issuing Complaint, to your Platform Provider or, if you do not have one, to issuing-complaints@stripe.com.

2.5 Providing Information.

As a condition of using the Stripe Issuing Accountholder Services, Stripe may require you to provide User Information, information regarding Issuing Authorised Users (including name, address, birthdate, and government-issued identification documents), and information about your activities and intended use of the Stripe Issuing Accountholder Services. This information may be in addition to information you have previously provided to Stripe in connection with other Services. You must promptly provide all additional financial and other information Stripe requests from time to time.

2.6 Inquiries.

Stripe (or, if applicable, your Platform Provider) will manage all inquiries from Issuing Authorised Users regarding Stripe Issuing Accountholder Services, including inquiries related to the use of Cards, and lost, stolen or damaged Cards.

3. Cards

3.1 Card Design.

You may request specific Card designs for Cards issued to you or Issuing Authorised Users. You must provide all proposed Card designs to Stripe for review and approval using the process Stripe requires. Stripe will review Card design proposals for compliance with this Agreement and Stripe reputational considerations. If Stripe does not approve a proposed Card design, Stripe will recommend modifications that, if made, will meet these requirements. You must resubmit the modified Card design to Stripe for approval using the same process.

3.2 Card Orders.

You may order Cards through your Stripe Dashboard (or, if applicable, through your Platform Provider). At your (or, if applicable, your Platform Provider's) expense, Stripe will procure and ship (a) Cards based on the information contained in the applicable Card order to the address in the EEA, UK or Switzerland specified in that Card order; and (b) replacements for Cards reported as lost, stolen or damaged. Risk of loss for Cards passes to the recipient (you or your Platform Provider) when Stripe ships the Card to the address specified in the order.

3.3 Card Activation.

You must activate a Card through your Stripe Dashboard (or, if applicable, through your Platform Provider) before you or your Issuing Authorised Users use that Card. Stripe will provide activation instructions to you, either directly or with delivery of Cards. You will provide those instructions to your Stripe Issuing Administrators and Issuing Authorised Users. Once a Card is activated, Issuing Authorised Users may use Cards to initiate Card Transactions on your behalf.

3.4 Ownership and Cancellation of Cards.

Cards are the property of Stripe. If Stripe requests that you or an Issuing Authorised User return a Card, then you must return, or ensure that the Issuing Authorised User returns, that Card promptly to Stripe as Stripe instructs. You will immediately and at your expense return cancelled Cards to Stripe or provide written certification that cancelled Cards have been destroyed.

Stripe may, in its reasonable discretion, cancel, suspend or restrict the use of a Card at any time, including as required by Law or Card Network Rules, or if a Card is used for a Card Unauthorised Purpose. Stripe will notify you as soon as practicable after cancelling, suspending or restricting a Card, and to the extent Law permits, will inform you of the reasons for the cancellation, suspension or restriction. Stripe will issue a replacement Card or lift the suspension or restriction of a Card as soon as practicable after Stripe determines that the reasons for cancellation, suspension or restriction cease to exist.

3.5 User Materials.

You represent as of the date you submit User Materials for a Card to Stripe for review, and warrant at all times during the Term, that you have the necessary rights in the User Materials to use (and grant Stripe the rights to use) the User Materials on the Cards and for the purposes of the Stripe Issuing Program. You grant to Stripe and its Affiliates a worldwide, non-exclusive, royalty-free licence to use the User Materials on Cards and applicable Stripe Issuing Program materials. You also grant to Stripe

and its Affiliates the right to sublicense these rights to third parties that Stripe engages to create Cards and applicable Stripe Issuing Program materials.

If you terminate or revoke the licence to the User Materials, then (a) Stripe will stop producing new Cards carrying the User Materials and stop using the User Materials for the purposes of the Stripe Issuing Program; (b) Stripe will not be obligated to recall, destroy or replace any existing Cards carrying the User Materials; and (c) Stripe will not be liable for any delay or failure in performing its obligations to the extent they are adversely affected by the termination or revocation.

4. Operation of Stripe Issuing Accounts and Processing of Card Transactions

4.1 Stripe Issuing Accounts.

The Stripe Issuing Account is an E-money Account for which you may request the issuance of Cards. The Stripe Issuing Account will contain sub-accounts (for information purposes only) related to each Card. The Stripe Issuing Account will contain details of Card Transactions processed in respect of each Card, and the outstanding amount of E-money which is held in the Stripe Issuing Account across all Cards issued to you. All Cards issued to you are linked to your Stripe Issuing Account.

4.2 Card Transactions.

Stripe will use a Card Network to authorise, clear, and settle all Card Transactions initiated on your Cards. Stripe may decline to authorise a Card Transaction or reverse a Card Transaction for any reason, including if (a) Stripe is concerned about the security of the Card or Stripe suspects that the Card is being used without valid authorisation or for a Card Unauthorised Purpose; (b) insufficient E-money is loaded onto the Card; (c) Stripe believes that you are acting in breach of this Agreement or the Connected Account Agreement (if applicable) or any other agreement you may have with a Stripe Entity; (d) Stripe believes the Card Transaction is suspicious, fraudulent, illegal or exposes you, Stripe or others to risks unacceptable to Stripe; (e) there are errors, failures or refusals by merchants, payment processors or payment schemes related to the Card Transaction; or (f) the Card Transaction is with a prohibited or restricted merchant or a merchant operating a Prohibited or Restricted Business. If Stripe declines to authorise a Card Transaction, Stripe will, on request, if practicable and to the extent Law permits, inform you of the reason. Stripe is not responsible for losses, damages or costs you incur arising out of, or relating to, reversed or declined Card Transactions.

4.3 Authorisation of Card Transactions.

Subject to the features of the Card, the authorisation of a Card Transaction may include authorising any single Card Transaction or a series of recurring Card Transactions, or pre-authorising a future Card Transaction for a specified or unspecified amount. Stripe will treat Card Transactions as authorised and consented to by you where Issuing Authorised Users follow the instructions provided by a merchant or Stripe to effectively authorise the Card Transaction at the point of sale (including online), including where the Issuing Authorised User (as applicable) (a) enters a Personal Identification Number (PIN); (b) signs a sales receipt; (c) provides Card and other requested details; (d) taps, waves or swipes the Card at a card reader; or (e) fulfils multi-factor authentication requirements (including strong customer authentication, as defined under Law). Authorisation of a Card Transaction cannot be withdrawn or revoked once received by Stripe.

4.4 Processing of Card Transactions.

Payment order Card Transactions will be received by Stripe at the time Stripe receives the Card Transaction settlement instruction from the relevant Card Network. Stripe will deduct the amount of a Card Transaction from the balance of the Stripe Issuing Account as soon as the Card Transaction is made. When a Card is used to initiate a Card Transaction where the final amount of the Card Transaction is unknown at the time of authorisation, a hold may be placed on available funds in the Stripe Issuing Account for an amount authorised by (or on behalf of) you that is equal to or in excess of the final amount of the Card Transaction. The funds subject to the hold will not be available to you for any other purpose until the merchant or the Card Network releases the hold, or until Stripe receives the final amount of the Card Transaction, or receives the final payment order.

4.5 Card Transaction Settlement.

Stripe will settle Card Transactions, net of fees and amounts owed to Stripe, to the relevant Card Network within the required settlement time frame.

4.6 Currency conversions.

If you pay for goods and services in a currency other than the Denominated Currency, the amount payable will be converted at the relevant Card Network's reference exchange rate at the clearing time of the Card Transaction, and a foreign exchange fee will apply. The Card Network's reference exchange rate, and a comparison as against the latest available foreign exchange rates issued by the European Central Bank, are outlined by Visa [here](#) and Mastercard [here](#) (as may be updated from time to time). When paying in a currency other than the Denominated Currency, the applicable exchange rate will be shown at the time of the Card Transaction.

4.7 Refunds.

You may submit a refund request in relation to Card Transactions where (a) you did not authorise the Card Transaction; (b) the Card Transaction was incorrectly executed and you have notified Stripe in accordance with Section 7 of these Stripe Issuing Accountholder Terms; or (c) the Card Transaction was pre authorised and did not specify the final amount at the time of authorisation, and the amount charged by the merchant is more than you could reasonably have expected taking into account normal spending patterns on the Card or the circumstances of the Card Transaction (a claim for a refund in these circumstances will not be accepted if the amount of the Card Transaction was made available to you at least 4 weeks before the Card Transaction date, or if the claim is made more than 8 weeks after the Card Transaction was debited from the Stripe Issuing Account).

4.8 Card Transaction information.

Stripe (or, if applicable, your Platform Provider) will, through the Stripe Technology, provide you with the Stripe Issuing Account balance and a statement of Card Transactions. You will be able to access and download monthly Card Transaction statements via the Stripe Technology (or, if applicable, from your Platform Provider). The Card Transaction statements will show (a) information related to each Card Transaction which will enable it to be identified and, where appropriate, information on the payee; (b) the amount of the Card Transaction shown in the currency in which the Card Transaction was paid; (c) the amount of charges for the Card Transaction; (d) where applicable, the actual exchange rate applied to the Card Transaction; and (e) the date the Card Transaction is authorised on or posted to the Stripe Issuing Account.

4.9 Authorised TPPs.

You may give appropriately authorised TPPs access to information concerning, and enable those TPPs to make payments from, the Stripe Issuing Account, subject to and in accordance with these Stripe Issuing Accountholder Terms and Law. Stripe may refuse to allow a TPP to access information or your Stripe Issuing Account if Stripe reasonably believes that the TPP is acting on an unauthorised, fraudulent or illegal basis. Unless Law prohibits notification, Stripe will notify you if Stripe takes this action. You will notify Stripe immediately if you believe a payment made through a TPP was unauthorised or incorrect.

5. Loading and redeeming funds

5.1 Loading funds.

You may load funds at par value onto the Stripe Issuing Account using the Stripe Technology via the funding mechanisms Stripe makes available. All funds in the Stripe Issuing Account are safeguarded by Stripe PSP in compliance with Law. You acknowledge and agree that funds in the Stripe Issuing Account are held by Stripe PSP on your behalf and are not deposits. You will not earn any interest on any funds held in the Stripe Issuing Account.

5.2 Redeeming funds.

You may redeem the funds on the Stripe Issuing Account at any time in whole or in part at par value. You are not entitled to a refund of money that has already been spent on or held for authorised Card Transactions. You must request redemptions via the communication methods specified by Stripe

(including through the Stripe Technology), specifying the amount of redemption. If you choose to redeem all of the funds on the Stripe Issuing Account, Stripe will cancel the Cards and you will, at your sole expense (a) immediately return the cancelled Cards in your possession or under your control; or (b) provide written certification of destruction of any cancelled or unused Cards. All redeemed funds will be returned to you by bank transfer to a User Bank Account. You will provide Stripe with any documents reasonably requested by Stripe to enable Stripe to process a redemption request.

5.3 Stripe action.

Stripe may prevent you from redeeming funds in the Stripe Issuing Account if Stripe believes your use (or intended use) of the Stripe Issuing Account (a) breaches this Agreement or any other agreement between you and Stripe; (b) is for any Card Unauthorised Purpose; or (c) would expose you, Stripe or others to risks unacceptable to Stripe. Unless restricted by Law, Stripe will notify you as soon as reasonably practicable if Stripe takes that action.

6. Your Obligations and Use of the Cards

6.1 Use of the Cards.

You and your Issuing Authorised Users are permitted to use the Cards for Card Transactions. Cards cannot be used for (a) obtaining cash back at the point of sale; or (b) any Card Unauthorised Purpose. Stripe may, acting reasonably, require you to establish a daily Card Transaction Limit to prevent the risk of loss to Stripe, and to reduce the rate of declined Card Transactions. If a daily Card Transaction Limit is required by Stripe, Stripe may decline any Card Transactions in excess of the daily Card Transaction Limit.

Cards will be valid for the period ending on the expiry date set out on the relevant Card. You may request a replacement Card. Stripe may charge a fee for the issuance of replacement Cards.

You, (or, if applicable, your Platform Provider) may establish limits or restrictions on your Stripe Issuing Account through your Stripe Dashboard, including spend limits on individual Card Transactions, a maximum spend limit in any given period, a limit on the number of cards issued to your Stripe Issuing Account and the types of merchants with which your Cards may be used. You (or, if applicable, your Platform Provider) are responsible for communicating and implementing any limits to your Issuing Authorised Users.

6.2 Issuing Authorised User Servicing.

You (or, if applicable, your Platform Provider) will handle (a) all enquiries regarding Card usage and lost, damaged or stolen Cards; and (b) all other enquiries from Issuing Authorised Users. Stripe will not provide support to Issuing Authorised Users in relation to the Stripe Issuing Services. You may not outsource Issuing Authorised User servicing to any third party.

7. Card Disputes

7.1 Reporting Unauthorised Transactions.

If you believe (a) your Card has been lost or stolen or (b) there are fraudulent or unauthorised transactions on your Card or Stripe Issuing Account, you must immediately, (a) report any unauthorised Card Transactions to Stripe by filing a dispute through the Stripe Dashboard, and (b) cancel any compromised Cards through the Stripe Dashboard. Disputing a fraudulent or unauthorised Card Transaction will not cancel a Card. Failure to cancel any compromised Cards through the Stripe Dashboard may result in you incurring additional liability.

7.2 Reporting Incorrectly Executed Transactions.

If you believe that your Card or Stripe Issuing Account was subject to an incorrectly executed or otherwise erroneous charge, you may contact the merchant to resolve the dispute regarding the relevant Card Transaction. If you are unable to resolve the dispute with the merchant, then you must file the dispute through your Stripe Dashboard. You must file disputes related to any incorrectly executed, erroneous or disputed Card Transactions to Stripe within 13 months (or within the timeframe required by Law) from the date the Card Transaction appears on your Stripe Issuing Account.

7.3 Determining Incorrectly Executed Transactions.

When you report and submit an erroneous, incorrectly executed or unauthorised Card Transaction through the Stripe Dashboard, Stripe will evaluate the submitted information in accordance with Law and the Card Network Rules. If Stripe determines, in its sole discretion, that the dispute of the Card Transaction is valid or the Card Transaction was erroneous, incorrectly executed or unauthorised, Stripe will credit the amount of the applicable Card Transaction back to your Stripe Issuing Account. If Stripe fully or partially credits the amount of any Card Transaction to your Stripe Issuing Account, you agree to transfer (and execute any necessary agreements to effect the transfer) to Stripe all claims (excluding tort claims) that you may have against the merchant for the Card Transaction.

7.4 Liability for Unauthorised Card Transactions.

Capitalised terms used in these Stripe Issuing Platform Terms that are not defined inline or elsewhere in the Agreement are defined in Section 14.

1. Program

You and Stripe will jointly establish a program through which eligible Connected Accounts may access a Stripe Issuing Program. You must offer the Stripe Issuing Program only to eligible Connected Accounts for their business purposes.

1.1 Issuer.

Stripe PSP is the issuer of the Cards and the E-money held on the Cards. You may contact SPUKL by using the Contact us section of our website or sending mail to Stripe Payments UK Ltd, 211 Old Street, The Warehouse, 7th Floor, London EC1V 9NR, United Kingdom.

You must promptly provide information related to your use of the Stripe Issuing Program that Stripe requests from time to time.

You are obliged to implement the Stripe Issuing Program as per the Stripe Issuing Program Guidelines.

Stripe must approve each Connected Account before it can become a Stripe Issuing Accountholder.

2.3 Use of the Issuing Platform Services.

Stripe will provide Stripe Issuing Platform Services to you, and Stripe Issuing Services to Stripe Issuing Accountholders. Stripe will issue Cards directly to a Stripe Issuing Accountholder for the Stripe Issuing Accountholder to provide to Issuing Authorised Users for use on business-related purchases and as otherwise permitted by Stripe. You acknowledge and agree that, in respect of the Authorised Payment Services, Stripe’s customers are the Stripe Issuing Accountholders and not you or any Issuing Authorised Users (who will be acting under the authority of the Stripe Issuing Accountholder).

2.4 Stripe Issuing Program Territory.

You must not offer, market or make the Stripe Issuing Program available to Connected Accounts located outside of (a) the UK, Switzerland and Gibraltar, for Cards issued by SPUKL; and (b) the EEA, for Cards issued by STEL. Stripe may modify the Stripe Issuing Accountholder Terms at any time. Stripe will notify you if Stripe modifies the Stripe Issuing Accountholder Terms. At Stripe's request, you must provide Stripe with proof of your notification. If any Stripe Issuing Accountholder does not agree to the updated Stripe Issuing Accountholder Terms, you must immediately stop making the Stripe Issuing Accountholder Services available to that Stripe Issuing Accountholder.

You are liable to Stripe for fees you and your Stripe Issuing Accountholders incur. Subject to these Stripe Issuing Platform Terms, the Card Network Rules and Law you may pass certain fees onto the applicable Stripe Issuing Accountholders. You must not pass any fees to any Stripe Issuing Accountholder that are attributable to (a) a Stripe Issuing Accountholder's use of Apple Pay or any other digital wallet fee or (b) a Card Transaction that was disputed because it was fraudulent or otherwise unauthorised.

Stripe may review the fees you charge your Stripe Issuing Accountholders in connection with the Stripe Issuing Services to determine whether the fees comply with Stripe's requirements, the Card Network Rules and Law. If Stripe determines the fees do not comply, you must immediately modify the fees and reimburse the Stripe Issuing Accountholder as Stripe directs.

3.6 Amounts Owed.

If Stripe is ultimately able to collect from a Stripe Issuing Accountholder the amounts that you paid to Stripe related to that Stripe Issuing Accountholder's Card Transactions, Stripe will refund to you the amount Stripe collected from that Stripe Issuing Accountholder.

5. Cards and Card Orders

5.1 Card Design.

You and your Stripe Issuing Accountholders may request specific Card designs. You must submit all Card designs to Stripe for review and approval using the process Stripe requires. Stripe will review Card design proposals for compliance with this Agreement, the Card Network Rules, Law and Stripe reputational considerations. You must resubmit the modified design to Stripe for approval using the same process.

You represent as of the date you submit User Materials for a Card to Stripe for review, and warrant at all times during the Term, that you have the necessary rights in and to the User Materials to use (and grant Stripe the rights to use) the User Materials on the Cards and other materials related to the Stripe Issuing Program. You grant to Stripe and its Affiliates a worldwide, non-exclusive, royalty-free licence during the Term to use the User Materials on Cards and applicable Stripe Issuing Program materials. You also grant to Stripe and its Affiliates the right to sublicense these rights to third parties that Stripe engages to create Cards and applicable Stripe Issuing Program materials.

6. Funds and Card Transactions

6.1 Card Transaction information.

Stripe will, through the Stripe Technology, provide you with the Stripe Issuing Account balances and a statement of Card Transactions for each Stripe Issuing Account. You will be able to download monthly Card Transaction statements via the Stripe Technology. The Card Transaction statements will show: (a) information related to each Card Transaction which will enable it to be identified and, where appropriate, information on the payee; (b) the amount of the Card Transaction shown in the currency in which the Card Transaction was paid; (c) the amount of charges for the Card Transaction; (d) where applicable, the actual exchange rate applied to the Card Transaction; and (e) the date the Card Transaction is authorised on or posted to the relevant Stripe Issuing Account.

8. Fees and Taxes

8.1 Program Fees.

8.2 Fees.

You are solely responsible for communicating any use, recurring, or application fees charged to Stripe Issuing Accountholders for their use of Platform Services in connection with the Stripe Issuing Services, and must clearly communicate those fees to Stripe Issuing Accountholders prior to imposing such fees.

8.3 Card Stamp Duty.

Notwithstanding the terms of this Agreement (or the Connected Account Agreement, as applicable), and where applicable, Stripe may collect government levies, stamp duties, and other similar taxes in respect of Cards issued to Stripe Issuing Accountholders by deducting the relevant amounts from your Stripe Issuing Account.

9. Data Use

9.1 Data Use.

If you fail to cancel any compromised Cards through the Stripe API or the Dashboard, you may incur additional liability.

10.3 Reporting Erroneous Transactions.

If you believe that a Card was subject to an incorrectly executed or otherwise erroneous charge, the Stripe Issuing Accountholder must first contact the merchant to resolve the dispute regarding the relevant Card Transaction. If the Stripe Issuing Accountholder is unable to resolve the dispute with the merchant, then you must file the dispute through your Stripe Dashboard or you must facilitate the Stripe Issuing Accountholder in filing a dispute for the Card Transaction through the Disputes API

Form or another channel that you provide. Stripe Issuing Accountholders must file disputes related to any incorrectly executed, erroneous or disputed Card Transactions to Stripe within 13 months (or within timeframe required by Law) from the date the Card Transaction appears on their Stripe Issuing Account.

If Stripe or the Card Network determines, in its sole discretion, that the dispute is valid or the Card Transaction was erroneous, incorrectly executed or unauthorised, Stripe will credit the amount of the applicable Card Transaction back to the applicable Stripe Issuing Account. You must abide by the determination of any dispute. You may not pass any costs or dispute fees you incur as a result of any fraudulent or unauthorised Card Transactions on to a Stripe Issuing Accountholder.

11. Representations and Warranties and PCI Compliance

You represent as of the Effective Date, and warrant at all times during the Term, that you and your service providers that store, access or transmit Personal Data comply with the PCI Standards. Stripe Vault and Forward

Last modified: November 11, 2024

1. Stripe Vault and Forward Terms.

These terms ("Stripe Vault and Forward Terms") supplement the General Terms and govern your use of the Stripe Vault and Forward Services.

2. Overview.

Stripe offers APIs that enable you to send Forwarded Data to yourself or your Third Party PSPs, and capture and store response data from Third Party PSPs' APIs ("Stripe Vault and Forward Services").

3. Use of Stripe Vault and Forward Services.

3.1. Security Credentials.

Where Stripe requires Security Credentials to allow you to send Forwarded Data to a Third Party PSP, you authorize Stripe and its Affiliates to store and use your Security Credentials along with any related data.

3.2. Restrictions on Use.

Where you use the Stripe Vault and Forward Services to send Forwarded Data to Third Party PSPs, you must (a) not share any Forwarded Data with any Third Party PSP that does not comply with Law (including AML and Sanctions Law), or data security standards imposed by Law or Financial Partners (including PCI-DSS); (b) validate each Third Party PSP's compliance with PCI-DSS on an annual basis, list each Third Party PSP as your third-party service provider in your PCI attestation of compliance, and immediately notify Stripe if you become aware that a Third Party PSP is not complying with PCI-DSS or is otherwise failing to safeguard the Forwarded Data; (c) upon request, validate each Third Party PSP's compliance with AML and Sanctions Law on an annual basis; (d) use the Stripe Vault and Forward Services only to facilitate transactions in countries permitted by Stripe; and (e) upon request, provide Stripe with information about a Third Party PSP required to permit Stripe to comply with Law or otherwise fulfill its obligations to you, your Customers, its users, and its Financial Partners.

3.3. Representations and Warranties.

You represent as of the Effective Date, and warrant during the Term, that:

(a) you have all rights, consents, approvals, and authorizations, and have provided all disclosures to Customers, required to allow Stripe and its Affiliates to lawfully:

(i) provide the Stripe Vault and Forward Services; and

(ii) collect, use, retain and disclose the data Stripe receives in connection with the Stripe Vault and Forward Services, as the Agreement and the Stripe Privacy Policy describe; and

(b) your use of the Stripe Vault and Forward Services complies with:

(i) all applicable agreements with and obligations owed to Third Party PSPs, if any;

(ii) all applicable guidelines, bylaws, rules and regulations maintained by the Card Networks; and

(iii) all applicable data security standards imposed by Law or Financial Partners (including PCI-DSS).

3.4 Responsibility for Merchants.

If you are using the Stripe Vault and Forward Services in connection with transactions where the merchant is your Affiliate or a Sub-user of your Affiliate, then you must:

(a) promptly notify Stripe of the identity of that merchant, upon request;

(b) ensure that merchant is subject to and will comply with the terms of these Stripe Vault and Forward Terms and the Agreement as if references to "you" were references to that merchant; and

(c) have sufficient controls in place to ensure that none of those transactions (i) involve goods or services prohibited under AML and Sanctions Law, nor (ii) are for the benefit of Sanctioned Persons.

4. Indemnification.

You agree to (a) defend the Stripe Parties from any Claims arising from a Third Party PSP's failure to comply with Law, Card Network Rules, data security standards, or any of its agreements with or obligations to you, Sub-users, Customers, or any other party, or failure to protect Forwarded Data provided to the Third Party PSP, and (b) indemnify the Stripe Parties for all Stripe Losses arising out

of or relating to those Claims, in each case in accordance with the indemnification provisions in the Agreement.
